Reference No. 14 of 1973

vs.

Second Party.—The Management of Mysore State Road Transport Corporation (B.T.S. Division), Bangalore-27.

Reference.—Government Order No. FCL 1616 LLD 72, dated 29th January 1973.

AWARD

1. The Government of Mysore (now Government of Karnataka) in their order No. FCL 1616 LLD 72 dated 29th January 1973 have referred an industrial dispute existing between the above named parties to this Court for adjudication on the points of dispute noted below :—

"Is the management of M.S.R.T.C. Bangalore-27 (B.T.S. Division) justified in dismissing S. R. Kulkarni, Ex-Helper 'A' of B.T.S. Division with effect from 31st July/1st August 1969 ?

If not, to what relief the workman is entitled ?"

2. The first party filed his claim statement on 17th July 1973 saying that he was working in the II Party as Helper 'A' in Depot No. II of the Workshop attached to B.T.S., and had put in 5 years of unblemished service; his duty was to repair the self-mechanism in the motor vehicles of the corporation; though he was designated as helper he was doing the above work independently; on the night of 15th/16th November 1968 he was as usual attending to his work; at about 2 A.M. one Narayana, Art. 'A', tried to put pressure on him to do his work of fitting the battery which had been assigned to Narayana by Depot Night Shift Incharge, Sri Murugesh; as he was engaged in his usual work first party protested; then Narayana without provocation started abusing him and attacked him; When I Party asked Narayana to accompany him to the Night Shift Incharge to report about the arrogant behaviour of Narayana and to loosen his hold on him he bit him on the arm causing bleeding wound; Watchman P. Raman pulled away the attacke Narayana; the first party workman, Kulkarni, got treatment in E.S.I. Hospital on 16th November 1968 and lodged a complaint with the Depot Manager. Though he was a victim of the high-handed behaviour of Narayana who thought that he could do anything to the junior workman, the management without considering who the aggressor was held a fare of an enquiry regarding the incident on 25th March 1969 and dismissed I Party by order of discharge; the charges made against him were that while he being on duty in the night shift on 15th/16th November 1968 disobeyed the instructions of his official superior Sri Narayana and thereby he has been insubordinate and in defiance of the instructions he wilfully flared up and hence he has been unruly and rude in his behaviour towards his superior and thirdly wilfully assaulted him and fourthly by his alleged acts he had caused loss of man hours; the I Party submits that Sri Narayana was not his superior official and I Party was not his subordinate and hence the question of Narayana giving orders or instructions to Kulkarni and his disobeying any lawful order does not arise; the findings of the management that Narayana was superior official of Kulkarni is unsustainable and perverse; Sri Narayana was also chargesheeted and was also dismissed; on a perusal of the order passed by the General Manager dated 24th February 1970 on the appeal filed by Narayana it is clearly stated that Narayana picked up a quarrel with Kulkarni, assaulted him and went to the extent of biting his arm and had indicated that Kulkarni made the first report; in the face of these facts, the findings of the enquiry officer that the first party workman is guilty of assault on Narayana, riotous and disorderly behaviour during working hours etc., make a strange reading; the order of discharge is absolutely unject, illegal and contrary to the Standing Orders; there was no fair and proper

enquiry; the charge of misconduct has not been proved by satisfactory evidence; the findings of the enquiry officer was opposed to facts; it is further submitted that while I Party was discharged the aggressor Sri Narayana was taken back to work subsequently and he is working in MSRTC; even at the time of enquiry though both of them had been ordered to be kept under suspension pending enquisy, the order of suspension against Narayana was revoked after sometime and he continued to work; hence the discharge of I Party workman is unjust, illegal and malafide and he is entitled to be reinstated with continuity of his services and back wages.

3. The second party management filed its objections saying that the contention of the I Party that he has an unblemish record of service is not correct; the first party was not discharging any independent work; the contention of the I Party about the incident on the night shift of 15–16th November 1968 ws not correct; Narayana submitted a written complaint to Depot Manager concerned stating that Vehicle No. 641 was under repairs for certain defects which work was entrusted to him when he was repairing the Headlights of the said vehicle the first party Kulkarni, was fitting self-starter to the vehicle and while doing so he dislocated the wires attached to the battery etc..; Narayana never at any time started abusing the first party workman and attacked him; the statement that Nasayana bit him on the arm of the first party causing bleeding wound is not correct and false; it is true to say that Narayana caused some injuries on the first party only in self-defence but not as an attack or aggression; it is not denied that M/s. Kulkarni and Narayanaa got treatment in ESI hospital on 16th November 1968; it is only first party was responsible for the incident; the management conducted a departmental enquiry and found him guilty of the charges; the first party was discharged from services only after a detailed enquiry giving him all reasonable and proper opportunity; Sri Narayana was immediate official superior of I Party and therefore his contention that he was not subordinate to Narayana was unsustainable; it is true that Narayana was charge-sheeted and discharged; his contention that enquiry officer should have properly appreciated the facts is not fair and proper; all the aspects of the matter were considered and decision was taken; the management proposed during the course of conciliation to give fresh appointment to I Party in a division other than BTS, to which I Party did not agree; the other contentions were denied; hence the claim of the first party be rejected..

4. The following issues have been framed:—

1. Whether 2nd party proves that it was justified in dismissing 1st party with effect from 31st July/1st August 1969;
2. To what relief 1st party is entitled?

5. On behalf of the II Party three witnesses, namely, M/s. Narayana, P. Murghesa and B. P. Ramaiah, have been examined as M.W. 1, M.W. 2 and M.W. 3 respectively. On behalf of the I Party, I Party workman got himself examined as W.W. 1.

Issue No. 1:—

6. The I Party workman in his evidence has stated that he was working in BTS Division as Helper 'A' and his job was to fit self-starter to all the vehicles; he was doing this job independently and not under anybody's direction; one Mr. Murughesh, incharge of the depot, used to allot him the work; he knows Narayana (M.W. 1) who was working as Artisan-A, whose job was to fit the batteries and lookafter headlights; On 15–16th November 1968 Narayana (M.W.1) came to him where he was working at 2 A.M. and asked him to fit a battery to one of the vehicles. to which he replied that he was attending to his own job of fitting self-starter and M.W. 1 can look-after his own job; then M.W. 1 said that he was the incharge and first party has to obey his orders; he told M.W. 1 that it was Murugesh who was incharge of the depot and M.W. 1 cannot issue commands to him; upon that M.W. 1 got wild and dragged him under the vehicle where he was actually working and bit his left arm; by that time Watchman Raman came to the spot an took Narayana and himself before Murugesh; then Narayana and himself were kept under suspension; both of them were issued charge sheets; the suspension orders against Narayana were revoked within a short period and he was taken on duty; his suspension continued; then enquiry held against both and dismissal orders were passed against both of them; once again Narayana was given an appointment, whereas for no fault of his he was dismissed; Narayana was responsible for the quarrel; the duties allotted to each workman was noted in the work order register; in the work order register it would be seen that he was allotted the work of fitting self-starter to the vehicles and not the fitting of battery; at the time of conciliations, Second Party offered appointment to him as a fresh candidate; he said that he should be given full back wages and continuity of service as he had not committed any misconduct; he prays that he be reinstated with full backwages and continuity of service. In cross-examination he has told that he was taken as Helper-B in 1964 and in 1967 promoted as Helper-A. He denied the suggestion that he had started the quarrel.

7. M.W. 1 Narayana, who was a co-worker, says that he was working as Electrician; he was given a charge sheet as per Ex.W. 1; Kulkarni had been issued with another charge sheet; common enquiry held; Ex.W. 2 is the order passed by Deputy General Manager; he was discharged from service. He had preferred an appeal which was also rejected. Then he approached the Hon'ble Minister with mercy petition; his appeal was sympathetically considered and he was

re-employed as per Ex.W. 3. There was nothing in writting to show that he was in shift-incharge. This negatives the contention of the Second Party that Narayana was superior to First Party and a duty was cast upon the First Party to obey the orders of Sri Narayana. The witness further admits that Kulkarni was working under the bus and was removing the starter; he (M.W.1) asked him (W.W. 1) whether he would fit the battery, the work which was allotted to him (M.W. 1). Upon this quarrel took place. He denied several suggestion and in particular denied the suggestion that he was fully drunk and that he picked up quarrel with Kulkarni. But it is significant to note that the General Manager of the II Party rejecting the appeal preferred by M.W. 1 *vide* his order dated 24th February 1970, has observed as follows :—

" The above contentions of the appellant cannot be accepted. The proceedings of the enquiry indicate that the first report was made by Sri Kulkarni and the Depot Manager as the Controlling Officer hand forwarded the same. It is not necessary that the Depot Manager should have been an eye witness to report the complaint against him. The incumbent has been charged for disorderly and rioutous behaviour during working hours. The evidence has established clearly that he proved the quarrel and that he assaulted Sri Kulkarni. "

Therefore, M.W. 1. Narayana's version cannot be believed.

8. It is disclosed from the evidence of M.W. 3, Ramaiah that he was the Watchman; on the night of 15th November 1968 at about 1 a.m. after midnight, Mr. Kulkarni was working lying under a bus; Narayana came and asked Kulkarni to come early; Kulkarni told that he was doing his own work and after finishing it he would come; upon that Narayana said that he (Kulkarni) was disobeying the orders of in-charge and dragged him and bit him on his arm; he (M.W. 3) rushed to the spot from the gate where he was standing, intervened and separated them. Left arm of Kulkarni was bleeding. In cross-examination he says that Narayana had no injury on his body. He asserts that Murugesh was the person who was real in-charge and Narayana was only an Artisan and co-worker. In re-examination it was sought to be made out that he does not know as between Kulkarni and Narayana who was superior and who was great. This evidence shows that it was Narayana (M.W. 1) who broke the quarrel and was an aggressor causing bodily injury to I Party workman.

9. M.W. 2, P. Murugesh is not an eye witness. His evidence is simply to the effect that he had asked Narayana to attend to his work; Kulkarni was a helper who was also doing his duty; at about 1-30 a.m. watchman Ramanna brought Kulkarni and Narayana and

said both were fighting and then he sent Kulkarni to hospital. But he did not send Narayana to hospital as he did not make any complaint. He further stated that Kulkarni was subordinate to Narayana and he had to work as per his directions. But in cross-examination he clarified the position that he was the shift incharge and he was the person who was allotting the work directly to every person and supervising their work. Therefore, Narayana cannot be taken to be superior. He further said that he was maintaining log book, but then he says that he had maintained only Work Order Sheet. He further stated that Kulkarni, though designated as a Helper, was independently removing and fitting the self starter; both Narayana and Kulkarni were subordinate to him. He was not present at the time of quarrel and he has not been examined during the domestic enquiry. He denied the suggestion that Narayana was drunk at that time.

10. Whether Narayana was superior to Kulkarni or not, the General Manager of II Party himself has observed in his order dated .... February 1970 rejecting the appeal of Kulkarni, that Narayana was a co-worker of Kulkarni. The relevant portions in the said order are quoted below:

"The appellant has been discharged from service by the Deputy General Manager, B.T.S. on charges of misconduct in as much as he picked up a quarrel with another Helper by name Sri Narayana while discharging duties on the night of 15th/16th November 1968 and assaulted him.

"Assaulting a co-worker is an act of serious misconduct"

That being so, the question of insubordination of I Party does not arise.

11. From the above evidence on record, I hold that the II Party has failed to prove that it was justified in discharging the services of the I Party workman. The evidence discloses that when I Party was engaged in his duty Narayana (M.W. 1) who provoked the quarrel and bit Kulkarni on the left arm, for which I Party workman was sent to hospital where he was treated. Subsequently a common enquiry was held and both the workmen, Narayana and Kulkarni, were discharged from service. Thereafter Narayana was taken on duty and when a dispute was raised by the I Party, II Party in conciliation offered I Party new appointment, to which I Party did not agree.

12. Under the same set of facts and circumstances, if one employee is continued in service and the other is discontinued, it certainly amounts to discrimination. It is said on behalf of the II Party that after the discharge and rejection of the appeal by the General Manager, Mr. Narayana preferred a Mercy Petition to the Hon'ble Minister and upon that he was reappointed. Whatever that might be, the fact cannot be overlooked and ignored that both I Party

workman and Mr. Narayana had been discharged from service in a common enquiry held against them on the finding that the alleged misconducts were proved against them. In this view I am supported by the observations of the Supreme Court in Northern Dooars Tea Company *vs.* Workmen of Dem Dima Tea Estate (reported in 1964 I LLJ 436 at page 441), wherein it is observed as follows:—

"So, in the opinion of the tribunal the action of the appellant in dismissing these six workmen was *mala fide* in as much as it was based on irrational and unreasonable discrimination. In our opinion, this finding cannot be successfully challenged by the appellant in the present appeal."

13. For the foregoing reasons, I hold that the II Party management was not justified in dismissing the I Party workman with effect from 31st July/1st August 1969.

14. *Issue No.* 2.—It therefore follows that the I Party workman is entitled to the relief of reinstatement and continuity of service. With regard to the back wages, it may be noted that the I Party was discharged from service from 31st July/1st August 1969, the reference was received in this Court on 30th January 1973, the I Party filed his claim statement on 17th July 1973 and the second party filed its counter-statement on 10th September 1973 the II Party alone cannot be held responsible for the delay in the proceedings. In the circumstances, I am of the opinion that 75% of the back wages would meet the ends of justice. Hence my award.

AWARD

15. The management of M.S.R.T.C. Bangalore-27 (B.T.S. Diviison) was not justified in dismissing Sri S. R. Kulkarni, Ex-Helper 'A' of B.T.S. Division with effect from 31st July/1st August 1969. The I Party workman, Sri S. R. Kulkarni, is entitled to the relief of reinstatement with continuity of service and 75% of his back wages. No costs.

Government Order No. SWL 798 (2) LLD 70, dated 2nd January 1974.

AWARD

The Government of Karnataka being of opinion that an Industrial dispute existed between the workmen and the Management of City Municipal Council, Raichur, under Section 10 of sub-section (1) of clause (d) of the Industrial Disputes Act, 1947 (hereinafter called as the Act) by their Order No. SWL 798 (2) LLD 70, dated 2nd January 1974 referred the said dispute to the Industrial Tribunal at Bangalore for adjudication on the following points of dispute :—

The issues may be as under :—

I. Whether the Management of City Municipal Council, Raichur is justified in terminating the services of (1) Narasamma, W/o Jambayya with effect from 17th July 1-69, (2) Kallur Devaga with effect from 17th September 1969, (3) Badiga Bhimaiah with effect from 4th October 1969, (4) Ramu, S/o Thimmaiah from 14th October 1969 and (5) Badiga, S/o Yellappa with effect from 14th October 1969?

If not whether the said workers are entitled for reinstatement with back wages and continuity of past service under the said Management ?

II. Whether the workmen represented by the Secretary, City Municipal Workers Union, Raichur are justified in claiming one months wages as gratuity for every completed year of service either at the time of leaving the jobs or at the time of termination of their services ?

If not, to what other relief they are entitled to ?

III. Whether the workmen are justified in claiming weekly off day rest wages from the years 1948 to 1963?

If not to what other relief or quantum of relief they are entitled to ?

IV. Whether the workmen are justified in claiming one more set of uniform dress containing one sari and one blouse to female worker and one half shirt, one half pant and one cap to Male worker and one pair of chappals and rain coat to each worker ?

If not to what other relief they are entitled to?

2. On receipt of the above said references the same came to be numbered as I. D. 1 of 1975 on the file of this Tribunal. Notices were issued to the parties to file their statement of demands.

3. The workmen represented by the General Secretary, City Municipal Workers Union, Raichur (hereafter called the I Party) though duly served with a notice did not choose to file the claim statement. In spite of the final notice served on the I Party they failed to file the claim statement.

4. The Management of the City Municipal Council Raichur represented by its Commissioner (hereafter called the II Party) sent the statement of demands by registered post which was received in this office on 3rd February 1975. According to II Party, the request of the workmen under reference for reinstatement with back wages is unjustified and cannot be considered and it is not incofirmity with the Service Rules. With regard to Issue No. II it was submitted that the workmen have been served with notices asking them to submit their pension papers for taking neceseary steps in this regard and that they would forward to the Accountant General for sanction of payment to which they are entitled, after the workmen filed their pension papers.

5. In reply to Issue No. III, the II Party contended that the workmen cannot take this issue again as it has already been settled earlier and that the workmen are estopped from taking any such stand that their offday rest wages must be paid from 1948 to 1963. With regard to the claim of the workmen for one more set of uniform, it was submitted that the same was not tenable as the management cannot consider since the workmen are not entitled for one more set of uniform dress either for male or female.

6. This case came up for hearing on 3rd June 1975 and on that day both the parties remained absent and

then it was adjourned to 28th June 1975. Again on 28th June 1975 when the case was called out both the parties remained absent. In the circumstances, it is found expedient in the interest of justice to expedite the matter on the material available on record.

7. It appears from the statement of demands filed by the II Party that the workmen referred to under Issue No. I were to retire as per the H. C. S. Rs. at the age of 60 years basing on the dates of birth as entered in their Service Registers Accordingly, their superannuation period fell on 4th March 1966, 31st January 1966, 6th December 1965, 5th June 1968 and 8th August 1965 respectively. In the meanwhile, it appears that these workmen rquested for rectification of dates of birth by the management and while it was under consideration by the management their services were continued pending decision. However, on receipt of clarification from the Office of the Deputy Commissioner, Raichur, the II Party, it appears, have taken the decision to retire these workmen. It is well settled that the dates of birth of the workmen could not be changed without a Court's decree and hence they were retired on 12th September 1969, 6th October 1969, 4th October 1969, 14th October 1969 and 14th October 1969 respectively. In the circumstances, it cannot be said that the II Party is not justified in retiring the workmen on those respective dates. In this view of the matter, the request of the workmen for reinstatement with back wages is unjustified and cannot be considered and it is not incongirmity with the Service Rules as it is rightly contended by the II Party and hence my finding on Issue No. I.

8. Now coming to Issue No. II, it appears that the management has moved for sanction of extension period of service of these workmen beyond the superannuation age and the sanction in this regard was recently received and thereupon the concerned workmen were served with the notices asking them to submit their pension papers for taking necessary steps in this regard. It is but natural for II Party to forward the pension papers after they are filed by the workmen to the Accountant General for sanction

and payment to which they are entitled. Nothing is shown to the contrary by the I Party. Hence my finding on Issue No. II is recorded in the negative.

9. With regard to Issue No. III, the case of the II Party is that these workmen were the parties before the Labour Courts, Bangalore and Hubli, in case No. 137/69 and 26/69 respectively, in which the workmen had claimed weekly off day rest wages for the period from 1948 to 1963 which have been settled by the Court and accordingly the workmen were given two months wages and therefore I find considerable force in the submission of the II Party that the workmen could not again take the issue before this Tribunal as it has already been settled earlier. Moreover, none of the workmen were present at the hearing nor placed any material on record to show that they are justified in claiming weekly off day rest wages from the years 1948 to 1963 and hence my finding on this issue is also recorded in the negative. This takes us to the last issue. It was not denied that the workmen concerned were supplied with uniform during the period of their service as per rules and orders existing then. It is not shown by the I Party by leading any evidence or placing any material on record how they are entitled to one more set of uniform dress either for male or female, as already stated they were, in fact, supplied with the uniform as per rules and orders existing then. I, therefore, find no substance in the demand made by the workmen that they are entitled to one more set of uniform either for male or female and so, record my finding on Issue No. IV also in the negative.

10. In the result, the reference must fail and hence the same is rejected. No order as to costs.

Reference No. 135 of 1974

First Party:—

Karunakaran, represented by the Secretary, Bangalore District Hotel and Canteen Workers Union, 50-A, A.S. Char Street. Bangalore-560002-A.

Vs

Second Party:—

The Management of M/s J. B. Bakery, No. 1, 9th Main Road, Jayanagar, III Block. Bangalore. 11.

Reference:—

Government order No. SWL 561 LLD 74 dated 19th August 1974.

AWARD

1. The Government of Karnataka in their order No. SWL 561 LLD 74, dated 19th August 1974 have referred an industrial dispute between the above named parties to this Court for adjudication on the points of dispute noted below:

> "are the management of M/s J. B. Bakery, No. 1, 9th Main Road, Jayanagar, III Block, Bangalore-11, justified in terminating the services of Sri. Karunakaran Breadmaker, with effect from 4th May 1973 ?
>
> If not, to what relief is the said workmen entitled?"

2. On receipt of the reference, it was registered as Reference No. 135 of 1974 and notices were issued to both the parties, which were duly served on them. The first party filed his claim statement on 26th September 1974. The second party remained absent and did not file its counter-statement. Three notices were issued to the II party to file its rejoinder on 4th October 1974, 13th January 1975 and 31st January 1975. In spite of service of these notices, the II party remained absent. One Raghavan K. has sent a letter dated nil which has been received on 24th January 1975 saying that the proprietor was out of station. But the II Party was neither present nor represented by any one even after January 1975 and the II Party remained absent right from the beginning. In the circumstances, I am constrained to proceed under Rule 23 of the Industrial Disputes (Karnataka) Rules as if the II Party was present and had been duly represented.

3. In the claim statement, the first party has stated that the II Party has terminated the services of Sri. Karunakaran, Bread Maker, with effect from 4th May 1973 without any notice, without any enquiry and whithout any reason in an arbitrary manner. The aggrieved workman has put in more than three years service and was doing a work of permanent nature and has not even been paid arrears of wages for five months. His servisces were terminated.

because he had demanded arrears of 5 months wages. The workman's request for reinstatement was acceded by the II Party. It is therefore prayed that he be reinstated with continuity of service and consequential benefits and back wages.

4. The I Party workmen got himself examined W.W.1 and has stated that he was working in II Party management as Bread Maker and was getting Rs. 75/- as wages besides free food. He had joined the concern on 1st February 1970. There is no appointment letter. He was removed from service as he demanded his six months salary which was due to him. He wrote a letter to the management as per Ex.W.1. the certificate of posting of which is as per Ex.W.2. He did not receive any reply. Without any notice and without any enquiry his services were terminated. His letter to concilliation officer is as per Ex.W.3. The notices sent by the concilliation officer to the management are as per Ex.W.4. series. He has not committed any misconduct. He prays that he be reinstated with full back wages.

5. I have no reason to disbelieve the evidence of I Party workman which stands unrebutted. The II Party has not even cared to appear before this Court and resist the case in spite of service of notices issued by this Court. In the circumstances, the I Party workman is entitled to the relief of reinstatement to his former post with continuity of service. However, with regard to back wages, taking all the facts and circumstances of the case into consideration, I am inclined to grant only 20 per cent of his back wages. Hence my Award.

AWARD

6. In the result, the Management of M/s. J. B. Bakery, No. 1, 9th Main Road, Jayanagar, III Block, Bangalore-11, was not justified in terminating the services of Sri Karunakaran, Bread Maker, with effect from 4th May 1973. The first party workman. Sri. Karunakaran, is entitled to the relief of reinstatement to his former post with continuity of service and 20 per cent of his back wages. No costs.

(1) Letter No. 356/75-76, dated 20th June 1975 from Sri P. Srinivasacharya, Presiding Officer, Labour Court, Bangalore

BEFORE THE PRESIDING OFFICER, LABOUR COURT, BANGALORE.

Dated this 20th day of June 1975.

Present:

Shri. P. Srinivasacharya, B. A. LL. B.

Presiding Officer

Reference No. 75 of 1974

First Party :—

Smt. Shankaramma, represented by the President, Akhila Karnataka Powerloom and Handloom Karmikara Sangha, No. 11, Joripet, Chikka Annammal Temple Lane, Bangalore-560002.

Vs.

Second Party :—

The Management of Ramakrishna Textiles, National Engineering Buildings, J. C. Road Cross, Bangalore-2.

Reference :—Government Order No SWL 40 LLD 74 dated 24th April 1974.

AWARD

1. The Government of Karnataka in their order No. SWL 40 LLD 74 dated 24th April 1974, have referred an industrial dispute existing between the above named parties to this Court for adjudication on the points of dispute noted below :—

"I. Are the Management of Ramakrishna Textiles, National Engineering Buildings, J. C. Road Cross, Bangalore-2, justified in refusing to allow Smt. Shankaramma to resume work on 4th December 1972 ?

II. If not, to what relief is the said worker entitled ? "

2. The First Party filed her claim statement on 30th July 1974 saying that she had joined the second party as Pern Winder about 15 years back on Rs. 90 per month; the second party refused to give work to her without assigning any reason and notice from 4th December 1972 onwards; hence she may be reinstated with continuity of service and back wages.

3. The Second Party opposed this in its rejoinder filed on 16th November 1974 saying that the first party joined with the second party concern as Pern Winder about 3 months earlier to her leaving the job and she was working on Piece rate basis; she remained absent herself from duty due to her old age, bad health and poor sight; the second party has not terminated her services and it has not victimised her; the first party herself remained absent from duty without assigning any reasons and had never returned for duty; the first party has requested the 2nd party to give work after a long time and it directed her to bring medical certificate certifying that she is fit for duty, but she never complied this; even now the second party is willing to offer the job to first party provided she produces a fitness certificate issued by a government Medical Officer as she had left the services long back; hence the reference be dismissed.

4. The following issues have been framed:

1. Whether 2nd party proves that 1st party voluntarily left the services of 2nd party due to illhealth and it has not refused work to her on 4th December 1972?

2. Whether 2nd party proves that 1st party joined services of 2nd party 3 months earlier to her leaving the job?

3. To what relief 1st Party is entitled?

5. After framing of the issues, the first party did not evince any interest and remained absent continuously from 3rd January 1975. In the circumstances, I am constrained to proceed under Rule 23 of the Industrial Disputes (Karnataka) Rules as if the 1st party was present and had been duly represented.

6. On 18th February 1975, on behalf of the II Party Sri A. L. Ramakrishnaiah, Proprietor, has got himself examined as M. W. 1. He has stated that Shankaramma, I Party Workman, was working in his power loom factory; she had worked only for 3 months and voluntarily left the services and did not report for duty; she had not applied even for leave; he has never refused work to her either on 4th December 1972 or on any other day and the I Party's claim is unfounded; he has not maintained any attendance register and the worker was paid on the basis of piece work and no salary as such was paid.

7. I do not find any reason to disbelieve the evidence of the II Party which stands unrebutted. The I Party also did not evince any interest and remained absent. In the circumstances, the reference is fit to be rejected.

8. In the result, I pass an award rejecting the reference. No costs.

SOCIAL WELFARE AND LABOUR SECRETARIAT

Notification No. SWL 67 LPF 74

Bangalore, dated 19th February 1975.

S O. 2558.—In exercise of the powers conferred by the Clause (a) of Sub-section (1) of Section 17 of the Employees' Provident Funds Act, 1952 (Central Act 19 of 1952) read with Notification No. PF/1/32/(5) 57. II. dated the 20th June 1958, issued by the Central Government, the Government of Karnataka hereby exempts Messrs. The South Kanara Central Co-operative Bank Ltd., Mangalore, (hereafter called the Establishment) from the provisions of the Employees' Provident Funds Scheme, 1952, subject to the following conditions, namely :—

1 The employer of the establishment (hereinafter referred to as the Employer) shall within three months of the date of publication of this Notification, amend the constitution of the Provident Fund maintained in respect of the employees of the establishment as indicated in conditions 2 to 21 of this Notification.

2. The Provident Fund shall vest in a Board of Trustees and there shall be valid instrument of Trust which adequately safeguards the interests of the employees.

3. The consitution of the Board of Trustees of the Provident Fund of the establishment and the election of employees' representatives on the Board shall be in accordance with the rules contained in the schedule to this Notification.

4 The Provident Fund rules of the establishment shall not be amended except with the previous approval of the Regional Commissioner, and where any amendment effects the interests of the employees, the Regional Commissioner shall before giving his approval, give a reasonable opportunity to the representatives of the employees to explain their point of view.

5. (i) The employer shall, before paying the member his wages in respect of any period of part of a period for which contributions are payable deduct the employees' contributions from his wages which together with his own contribution shall, within fifteen days of the close of every month, be paid to Board.

(ii) The Board shall make all investment of accumulations in securities of the Central Government subject to such conditions as the Central Government may, from time to time, give within two weeks of the payment of the Provident fund contributions by the employers. The reinvestment or conversion of securities on maturity shall also be in the securities of Central Government.. The employer of the establishment shall formulate a procedure for prompt investment of Provident Fund moneys and shall get it approved from the Regional Commissioner.

6. All expenses involved in the administration of the Provident Fund Scheme including the maintainance of accounts, submission of accounts and returns, transfer of accumulations and payment of Inspection charges shall be borne by the employer of the establishment.

7. The employer shall display on the notice board of his establishment in English and in Kannada, a copy of the approved rules and the translation of salient points of the rules in the Language of the majority of the workers.

8. The employer shall within three months of the date of publication of this notification, transfer to the Board of Trustees of accumulations standing to the credit of the employees who but for the exemption would have been members of the Statutory Fund.

9. When the Fund is would up or the exemption of the establishment is cancelled, accumulations standing to the credit of employees who but for the exemption, would have been members of the statutory Fund shall be transferred to that Fund as soon as possible and in any case, not later than thirty days in the case of securities and not later than ten days in the case of such in hand or

in a bank, together with a statement or statements as may be required by the Regional Commissioner.

10. The employer shall accept the past Provident Fund accumulations of an employee who is already a member of the Employees' Provident Fund or an exempted fund and he obtains employment in his establishment. Such an employee shall immediately be admitted as a member of the establishment's Provident Fund his accumulations which shall be transferred within three months of his joining the establishment shall be credited to his account.

11. The employer shall provide for nomination in his Provident Fund Rules in accordance with the provisions contained in Paragraph 61 of the Employees' Provident Funds Scheme, 1952.

12. The amount of contributions shall be calculated to the nearest quarter of a rupee, that is 12.5 paise or more shall be counted as the next higher quarter of a rupee and fractions or a rupee less than 12.5 paise shall be ignored. The amount of inspection charges and damages shall be calculated to the nearest 5 paise.

13. On all repayable loans granted by the Establishment, interest shall be charged at the rate of 4½% or 1% above the rate allowed on the balance to the credit of the members, whichever is higher.

14. The employer shall pay to the Regional Commissioner inspection charges payable, failing which damages shall be paid at rates fixed by the State Government from time to time.

15. (i) The employer whenever there is a raise in the rate of statutory Provident Fund contribution shall revise the Provident Fund Scheme of the Establishment suitably so that the benefits under the said schemes are at no time less favourable than the benefits available under the Employees' Provident Fund Scheme.

(ii) The employer shall maintain accounts of Provident Fund in such manner and submit such returns

to the Regional Commissioner as may be prescribed by the Central Commissioner from time to time.

(iii) The employer shall furnish to the Regional Commissioner such accounts of Provident Fund of the Establishment as may be prescribed by the Central Commissioner from time to time. He shall also furnish annual statement of accounts or a pass book in such as may be prescribed by the Central Commissioner from time to time to the subscriber who but for the exemption could have been a member of the Provident Fund of the establishment.

16. The employer shall submit an audited copy of the balance sheet of the Provident Fund every year to the Regional Commissioner as soon as the balance sheet is prepared.

17. The employer shall transfer the monthly contributions to the Board of Trustees within fifteen days of the close of the month failing which he shall pay interest to the above period as detailed in the Annexure 'A'.

18. Notwithstanding anything in the Provident Fund rules of the establishment, the amount payable to any member upon his ceasing to be an employee of the establishment by way of employer's and employees' contributions plus interest thereon taken together with the amount, if any, payable under the Gratuity pension rules, be less than the amount that would be payable as employees' and employees' contributions plus interest thereon, if he were a member of the provident Fund under the Employees Provident Funds Scheme, the employer shall pay the difference to the member as compensation or/special contribution.

19. All matters not herein provided for shall be regulated by the approved Provident Fund Rules of the Establishment.

20. The exemption granted by this Notification shall be liable to be withdrawn by the State Government for breach of any of the aforesaid conditions or for any other sufficient cause which may be considered appropriate.

21. (i) The employer shall in relation to the establishment carry out such instructions as to the State Government may from time to time, issue for the purpose of enforcing all of any of the aforesaid conditions.

GOVERNMENT OF KARNATAKA

SOCIAL WELFARE AND LABOUR SECRETARIAT

Notification No. SWL 11 LPF 75,

Bangalore, dated 8th April 1975

S.O. 2560.—Whereas in the opinion of the Government of Karnataka, the Karnataka Electricity Board Contributory Provident Fund Rules of the Karnataka Electricity Board, Bangalore, with respect to the rates of contribution are not less favourable than those specified in section 6 of the Employees Provident Fund and Family Pension Fund Act, 1952 and the employees are also in enjoyment of other provident fund benefits which on the whole are not less favourable to the employees than the benefits provided under the said Act or any Scheme in relation to the employees in any other establishment of a similar character.

Now, therefore, in exercise of the powers conferred by clause (*a*) of sub-section (1) of Section 17 of the said Act, the Government of Karnataka, hereby exempts the Karnataka Electricity Board, Bangalore (hereinafter referred to as the Establishment) from the operation of all of the Employees Provident Funds Schemes, 1952, subject to the conditions specified below, namely :—

The employer of the establishment (hereinafter referred to as the employer) shall within three months of the date of publication of this Notification, amend the constitution of the Provident Fund maintained in respect of the employees of the establishment as indicated in conditions 2 to 21 of this Notification.

2. The provident fund shall vest in a Board of Trustees and there shall be a valid instrument of Trust which adequately safeguards the interests of the employees.

3. The constitution of the Board of Trustees of the Provident Fund of the establishment and the election of employees' representatives on the Board shall be in accordance with the rules contained in the schedule to this Notification.

4. The Provident Fund Rules of the establishment shall not be amended except with the previous approval of the Regional Commissioner and where any amendment effects the interests of the

employees, the Regional Commissioner shall before giving his approval, give a reasonable opportunity to the representatives of the employees to explain their point of view.

5 (i) The employer shall, before paying the member his wages in respect of any period or part of a period for which contributions are payable deduct the employees' contribution from his wages which together with his own contribution shall, within fifteen days of the close of every month, be paid to Board.

(ii) The Board shall make all investment of accumulations in securities of the Central Government subject to such conditions as the Central Government may, from time to time, give within two weeks of the payment of the provident fund contributions by the employers. The reinvestment or conversion of securities on maturity shall also be in the securities of Central Government. The employer of the establishment shall formulate a procedure for prompt investment of provident fund moneys and shall get it approved from the Regional Commissioner.

6. All expenses involved in the administration of the Provident Fund Scheme including the maintenance of accounts, submission of accounts and returns, transfer of accumulations and payment of inspection charges shall be borne by the employer of the establishment.

7. The employer shall display on the notice board of his establishment in English and in Kannada a copy of the approved Rules and the translation of salient points of the Rules in the language of the majority of the workers.

8. The employer shall within three months of the date of publication of this Notification, transfer to the Board of Trustees of accumulations standing to the credit of the employees who but for the exemption would have been members of the Statutory Fund.

9. When the fund is wound up or the exemption of the establishment is cancelled, accumulations standing to the credit of employees who but for the exemption, would have been members of the statutory fund shall be transferred to that fund as soon as possible and in any case,, not later than thirty days in the case of securities and not later than ten days in the case of such in hand or in a bank, together with a statement as may be required by the Regional Commissioner.

10. The employer shall accept the past provident fund accumulations of an employee who is already a member of the Employees

Provident Fund or an exempted fund and he obtains employment in his establishment. Such an employee shall immediately be admitted as a member of the establishment provident fund, his accumulation which shall be transferred within three months of his joining the establishment shall be credited to his account.

11. The employer shall provide for nomination in his provident fund rules in accordance with the provisions contained in paragraph 61 of the Employees' Provident Funds Scheme, 1952.

12. The amount of contributions shall be calculated to the nearest quarter of a rupee that is 12–5 paise or more shall be counted as the next higher quarter of a rupee and fractions of a rupee less than 12-5 paise shall be ignored. The amount of inspection charges and damages shall be calculated to the nearest 5 paise.

13. On all repayable loans granted by the establishment, interest shall be charged at the rate of 4½ per cent or one per cent above the rate allowed on the balance to the credit of the members, whichever is higher.

14. The employer shall pay to the Regional Commissioner inspection charges payable, failing which damages shall be paid at rates fixed by the State Government from time to time.

15. (i) The employer whenever there is a raise in the rate of statutory provident and contribution shall revise the provident fund scheme of the establishment suitably so that the benefit under the said schemes are at no time less favourable than the benefits available under the Employees' Provident Fund Scheme.

(ii) The employer shall maintain accounts of Provident Fund in such manner and submit such returns to the Regional Commissioner as may be prescribed by the Central Commissioner from time to time

(iii) The employer shall furnish to the Regional Commissioner such accounts of provident fund of the establishment as may be prescribed by the Central Commissioner from time to time. He shall also furnish annual statement of accounts or a Pass Book in such as may be prescribed by the Central Commissioner from time to time to the subscriber who but for the exemption would have been a member of the provident fund of the establishment.

16. The employer shall submit an audited copy of the balance sheet of the provident fund every year to the Regional Commissioner as soon as the balance sheet is prepared.

17. The employer shall transfer the monthly contributions to the Board of Trustees within fifteen days of the close of the month failing which he shall pay interest to the above period as the statement enclosed hereto.

18. Notwithstanding anything in the provident fund rules of the etsablishment, the amount payable to any member upon his ceasing to be an employee of the estabishment by way of employer's and employees' contributions plus interest thereon taken together with the amount, if any, payable under the Gratuity Pension Rules, be less than the amount that would be payable as employers' and employees' contributions plus interest thereon, if he were a member of the provident fund under the Employees' Provident Funds Scheme, the employer shall pay the difference to the member as compensation or special contribution.

19. All matters not herein provided for shall be regulated by the approved Povident Fund Rules of the establishment.

20. The exemption granted by this Notification shall be liable to be withdrawn by the State Government for breach of any of the aforesaid conditions or for any other sufficient cause which may be considered appropriate.

21. (i) The employer shall in relation to the estabishment carry out such instructions as to the State Government may from time to time, issue for the purpose of enforcing all or any of the aforesaid conditions.

(ii) The State Government reserves the right of to impose such further conditions as may be deemed necessary in the interests of the employees of the establishment.

SOCIAL WELFARE AND LABOUR SECRETARIAT

Notification No. SWL 10 LPF 75

Bangalore, dated 30th July 1975.

S. O 2704.—WHEREAS in the opinion of the Government of Karnataka, the employees of the Central Food Technological Research Institute, Mysore, are in enjoyment of benefits in the nature of provident fund, pension or gratuity and such benefits, separately or jointly are on the whole not less favourable to the said employees than the benefits provided under the Employees' Provident Funds and Family Pension Fund Act, 1952 or any Scheme in relation to employees in any other establishment of similar character.

NOW, THEREFORE, in exercise of the powers conferred by clause (b) of sub-section (1) of section 17 of the said Act, the Government of Karnataka hereby exempts the Central Food Technological Research Institute, Mysore (hereinafter referred to as the said Establishment) from the operation of all the Employees Provident Funds Scheme 1952 subject to the conditions specified below, namely: —

1. The employer shall submit such returns to the Regional Provident Fund Commissioner as the Central Government may from time to time, prescribe.

2. The employer shall furnish to each employee an annual statement of account or Pass Book;

3 All expenses involved in the administration of the fund including the maintenance of accounts, submission of accounts and returns, transfer of accumulations, payment of inspection charges etc. shall be borne by the employer.

4. Where an employee who is already a member of the Employees' Provident Fund (Statutary Fund) or the Provident Fund of another exempted establishment is employed in his establishment, the employer shall immediately enrol him as a member of the fund of the establishment, and accept the past accumulations in respect of such employee and credit to his account.

5. The employer shall enhance the rate of Provident Fund contribution appropriately if the rate of Provident Fund contributions for the class of establishment in which his establishment falls is enhanced under the said Act, so that the benefits under the Provident Fund Scheme of the establishment shall not become less favourable than the benefit provided under the said Act.

6. Notwithstanding anything contained in the provident fund rules of the establishment if the amount payable to any member, upon his ceasing to be an employee of the establishment or transferable on his transfer to any other establishment by way of employer's and employees' contributions plus interest thereon taken together with the amount, if any, payable under the Gratuity/Pension Rules, be less than the amount that would be payable as employer's and employees' contributions plus interest thereon, if he were a member of the Provident Fund under the said Scheme, the employer shall pay the difference to the members as compensation/special contribution.

7. No amendment of the provident fund rules shall be made without the previous approval of the Central Provident Fund Commissioner, where any amendment is likely to affect adversely the interests of the employees, the Central Provident Fund Commissioner shall, before giving his approval give a reasonable opportunity to the employees to explain their point of view.

8. In case of any dispute or doubt, the matter be referred to the Regional Provident Fund Commissioner in whose region the Head Office of the establishment is situated. His decision in the matter shall be final and binding.

AWARD

1. The Government of Mysore (now Government of Karnataka) in their order No. FCL 1730 ILD 72, dated 23rd April, 1973, have referred an industrial dispute existing between the above named parties to this Court for adjudication on the points of dispute noted below :—

"Are the management of M/s Rallis India Ltd., 320, Linghi Chetty Street, Madras-1, having their branch office at J. C. Road, Bangalore-2, justified in terminating the services of Shri K. Natarajan with effect from 27th August 1971 ?

If not, to what relief the said worker is entitled ?"

2. The first party filed his clanm statement on 11th June 1973. His case in short is that he was appointed as peon-*cum*-Packer with effect from 3rd October 1961 and his services were confirmed with effect from 1st May 1962; he was serving II Party in its branch office at No. 48, Sri Jayachamarajendra Road, Bangalore-2, they were extracting work from him from 9-30 A.M. to 1 P.M. and from 2 to 5-30 P.M. and he was entrusted with the delivery of goods, for which he has to cover 30 miles every day on cycle and by the time he would reach home it would be 10 P.M. and on account of it he become weak and developed chest pain ; as desired by the II Party he appeared before Dr. S. Janardhan of the Bowring and Lady Curzon Hospital, Bangalore, on 6th May 1971; he examined I Party and opined that he was suffering from chronic bronchitis with advanced emphysema of the lungs with very poor pulmonary function; three months and 21 days after the said examination and 3 days after he joined his duty II Party terminated his services as per its letter dated 27th August 1971 alleging that during the years 1969 and 1970 and upto August 1971 he was absent for 69 days on account of ill-health ; II Party has not deliberately furnished the split up figures for each year ; he is the sole earning member of his family consisting of 7 members ; on 19th September 1972 he got himself examined by Dr. C. Rajagopal, Civil Assistant Surgeon, Government General Hospital, Madras; the said doctor after

examination opined that he was suffering from Bronchitis and that with treatment for the period of two months adequate rest drugs and nutritious diet he would be able to attend to his duties as packer; on 15th October 1971 he got himself examined by another Doctor by name Dr. P. Mani, M.D., Assistant Professor of Medicnie, Stanely Medical College and Assistant Physician, Stanely Hospital, Madras, this Doctor has opined that the petitioner has suffering from bronchitis and chemically radiologically and electro cordiographically he is having minimal changes for which he can be treated with change of place rest and antibiotic and certified after adequate rest and treatment he would be able to attend to this duties as a packer, I Party was under the treatment of Dr. N. Gopal Rao, Bangalore for Bronchitis and Anaemia for few weeks; on 10th January 1972 the said doctor has issued a medical certificate stating that I Party was discharged cured and he is in a fit condition to return to duties; I Party sent copies of certificates issued by the above said three doctors to II Party for consideration and reinnstatement; II Party refused to consider his request; the act of II Party was not *bona fide*; from the three medical certificates issued by three competent doctors it is clear that he was not suffered any physical defect on informity incapacitating him for future work for an indefinite period; the Banaglore Branch Manager of II Party had appointed his own men, namely, Sudaliyandi, who was working as Temporary employee in his place while he went on leave and while he was ailing; the said branch manager was anxious to continue the services of the said Sudaliyandi; I Party sent a legal notice dated 13th January 1972 to II Party demanding his reinstatement with back wages, to which II Party sent a reply dated 15th February 1972 expressing its inability to reconsider his demands; the manner in which II Party has terminated his services was clearly unjustifiable, arbitrary, *mala fide* and opposed to principles of natural justice and amounts to victimisation; hence he be reinstated in his former post with back wages.

3. The II Party filed its objections on 16th July 1973 denying the allegations of I Party. It is stated in the objection

statement that during the years 1969, 1970 and 1971 I Party was frequently absenting himself from work on the ground of sickness and even on the days when he attended work he was not able to discharge his duties due to weakness and poor health; it was therefore decided that he should be medically examined by a competent doctor to find out the suitability of continuing him in the employment of II Party; the first party's leave record for the years 1969-70 and upto August 1971 showed that he had been absent on leave for 69 days on account of sickness; the first party was asked to appear on 6th May 1971 before Dr. S. Janardhan for medical examination; the said doctor gave a report opining that the first party was suffering from chronic bronchitis with advanced emphysema of lungs with very poor pulmonary function; on the basis of the medical opinion the II Party discharged I Party from service with effect from 27th August 1971 and he was also paid one month's salary in lieu of notice; the termination of the services of the I Party was for a reasonable cause and as it was *bona fide* termination the same is not liable to be interfere with by this Court; the allegation that I Party was made to work for long hours is untrue; the plea that he developed chest pain because of hard work said to have been done by him is untrue; he was performing the same work which the other peon-*cum*-packers were performing; it is not correct that he was made to cycle 30 miles every day; he was not the only person who was sent for local deliveries but on the other hand this was done by rotation; the second party never intended to take any disciplinary action against the I Party and the termination was only by way of discharge simpliciter; the I Party produced certain medical certificates sometime in October 1971 and as the opinion expressed in the two medical certificates were contrary to the opinion expressed by the doctor appointed by II Party, it expressed its inability to reconsider its decision; the I party's reference to the medical certificates submitted by him was therefore irrelevant; the second party was well within its rights in calling upon the employee to undergo medical examination with a view to find out his suitability to continue in employment and when the II Party accepted the opinion of its doctor any action taken on the basis of the said

report cannot be said to be arbitrary or unjustified; the allegations against the Bangalore Branch Manager were unfounded and are denied; hence the claim of the I Party be dismissed.

4. The following issues have been framed :

1. Whether II Party proves that it was justified in terminating the services of Sri K. Natarajan from 27th August 1971 ?

2. To what relief I Party is entitled ?

5. On behalf of the II Party, two witnesses, namely, Dr. S. Janardhanan and Sri V. S. K. Murthy, have been examined as M.W. 1 and M.W. 2 respectively. On behalf of the I Party, two witnesses, namely, Dr. N. Gopala Rao and I Party workman, have been examined as W.W. 1 and W.W. 2 respectively.

6. *Issue No.* 1.—M.W. 1. Dr. S. Janardhanan's evidence is that he had examined the I Party on 6th May 1971; he had before him the X-ray report along with X ray photo, which are marked as Ex. M. 2 and Ex. M 1 respectively; he clinically examined him; he issued a certificate as per Ex. M 3; I Party was suffering from Chronic Bronchitis with advanced emphysema of lungs with very poor pulmonary function; emphysema of lungs was a permanent incapacity and incurable; according to him he was unfit for manual work and any work of a packer; the said disease of I Party required prolonged treatment for two to three years and even then cure was doubtful; he had also the benefit of Hammatology report in Ex. M 4 and Urine report in Ex. M. 5; he is M.B.B.S., M.R.C.P. (EDIN), F.R.F.P.S. (Glas) and has 22 years experience as Doctor; he pays heavy income-tax; his certificate in Ex. M. 3 was correct. In cross-examination, he admits that he was not medical consultant for II Party; Exhibits M. 1, M. 2, M. R. and M. were from Dr. Sanjeeva Rao Clinic, who is no more; he came to the conclusion based on Exhibits M. 1, M.W, M. 4 & M. 5 and his own clinical examination; he does not maintain any register of patient examined by him and cretificate issued by him he is not

aware that such a register should be maintained; Chronic bronchitis is curable ; he did not examine I Party subsequently ; there was no written requisition for examination I Party ; he remembers there was a phone call from II Party that they would be sending a person and he should examine him; in the phone call, of the disease was not mentioned except saying that he was frequently absenting himself on that day I Party's condition was such that he was not able to talk, walk properly and had difficulty in breathing and as such at that time he noted down that he was unfit for manual work; seeing the I Party in the Court Hall, he said that I Party was standing without any aid and there is no difficulty in breathing: In re-examination he has stated that he has not examined I Party now and he is seeing him from a distance of 15 feet; the disease was not merely Chronic Bronchitis but with advanced emphysema of lungs.

7 M.W. 2 V. S. Murthy's evidence is to the effect that he is working as Depot Superintendent; the branch office is a distribution office of medicines; Ex. M. 6 is the appointment order of I Party; if an employee has to avail casual leave for 3 days and more he has to apply 3 days in advance; I Party was working as a Packer-*cum*-Peon; they have 3 peons like Natarajan; the duties of the packer-*cum*-peon are to pack medicines, stocks and go for local deliveries on their cycles; Ex. M. 7 to Ex. M. 14 are leave applications of I Party; they are both for sick leave and casual leave; there is another peon, by name Sydalyandi, who is also packer *cum*-peon; I Party was not feeling well for number of months and was taking leave very often on the pretext he was not doing well; he also saw himself during the office hour, that he could not extract any work from I Pary due to his ill-health; then they told him to send him to a doctor as there was difficulty in breathing and accordingly sent a report to Head Office about his health; there was no complaint of any misconduct about I Party; Ex. M.15 is an application by I Party to Asst. Labour Commissioner dated 2nd March 1970; Exhibits M. 16 and M. 17 were written by I Party. In cross-examination, he has stated that he does not know whether any reply has been sent Ex. M. 15; Ex. M. 18 is the copy of

letter issued regarding Natarajan from their office; does not know whether any enquiry has been held in respect of misbehaviour alleged in Ex. M. 18; Ex. M. 7 to M. 11; prior to period from 8th September 1970 to 16th June leave taking 8th September 1970 they have no complaint about between of I Party; service conditions are found in there is no workmen/employees union and the management should condition in the service conditions that medically he denied submit himself for medical examination work from Party the suggestion that II Party was take suggestion that I beyond office hours; he has also delay upto 10 to 12 hours Party was being sent for long distance to accept medical certificate for delivery and collections; they have man concerned from any ficate for fitness and sickness suggestion that the termina- medical practitioner; he denied mentioned by one Swamy in tion of I Party was for the reason due to continued absence on his complaint. [illegible]s one and

10. The learned advocate for the II Party relyi[illegible] following passage of the Supreme Court in Workmen [illegible]on the Bangalore Woollen, Cotton and Silk Mills Co. Ltd., [illegible] the management (reported in 1962 I LLJ 213), submitted th[illegible] Its a worker was discharged on the ground that he was [illegible]meen unfit then it cannot be said he has been discharged on[illegible] ground that his services were no longer required.

"When a worker is discharged on the ground that he is medically unfit, it cannot be said that they had been discharged on the ground that their services were no longer required; on the contrary they were not in a fit condition of health to continue in service at all. Their physical condition prevented them from rendering the service for which they had been employed. The reason for their discharge was that they could not render the services required of them and which under the contracts of service they were bound to render. Their services cannot be said to have been terminated on the ground that such services were not required."

He further relied upon the following passage of the Supreme Court in Ananda Bazar Patrika (P) Ltd. *vs.* Their employees (reported in 1963 II LLJ 429 at 434) for the proposition that *mala fide* should not be imputed to the II Party without any evidence on record:

"The position, thus, is that the conclusion of the labour court that the enquiry was not fair and that the appellant has acted *mala fide* in discharging Sarkar cannot be sustained. We have repeatedly pointed out that though industrial adjudication can and must protect industrial employees from victimization, a finding as to *mala fides* or victimization, should be drawn only where evidence has been led to justify it; such a finding should be made either in a casual manner or light-heartedly."

11. On the other hand, Mr. M. C. Narasimhan, learned advocate for the I Party, relying upon the judgement of the Supreme Court in the Workman of Firestone Tyre and Rubber Co. *vs.* The Management and others (reported in 1973 S. C. Labour Judgments Vol. 10 page 159), submitted that the whole issue was at large before this Court; according to the management the discharge was on the basis of the medical report that I Party workman was physically unfit to be continued in service; but since both doctors (M.W. 1 and W.W. 1) have been examined, the Court is entitled to look into the evidence of the parties and find out whether I Party is in a

fit condition to serve the II Party ; there are two opinions before this Court and the latest opinion is that the I Party is physically fit and it is for this Court to accept any version.

12. Mr. Narasimhan further submitted that M.W. 1's (Drs.) evidence was not worthy to be accepted because the Doctor has not maintained any register of patients and certificates issued by him as required under the Medical Practitioners Regulations ; the doctor even goes to the extent of saying that he is not aware that such a register to be maintained ; The doctor further stated that he did not prescribe any treatment for the I Party and he has not notel down the results of clinical examination; the doctors opinion was based on Exhibits M. 1, M. 2, M. 4 and M. 5 which were from Dr. Sanjee Rao's clinic ; whenM.W. 1 saw the I Party workman standing in the Court Hall during his examination, he said that he was standing without any aid and there was no difficulty in breathing and the witness has clarified that at the time when he gave his opinion the I Party was found to be unfit for any manual work on the ground that I Party was unable to walk, talk and there was difficulty in breathing and clinical examination reports Ex. M. 1, M. 2, M. 4 and M. 5 supported his opinion.

13. Mr. Narasimhan further submitted that in order to accommodate one of the favourites of the Branch Manager, the services of the I Party workman were terminated *mala fide* which can be gathered from the fact that the services of the I Party were not terminated immediately on receipt of the medical report dated 6th May 1971 (Ex. M. 3), but the management allowed I Party to continue in service for 3 months and odd and then discharged his services for reasons unconnected with his health without holding any enquiry.

14. I Party workman had remained absent for 69 days during the years 1969 to 1970 and upto August 1971 on account of ill-health. The II Party management could not have tolerated the absence of the I Party on the ground of sickness for such a long period. Therefore, on 6th May 1971 he was sent

for medical examination and on the report of Dr. Janaradhan (M.W. 1) that I Party was suffering from Chronic Bronchitis with advanced emphysema of lungs with very poor pulmonary function, II Party has discharged his services, though it may be after 3 months. There is no believeable evidence on behalf of the I Party in support of the allegation that in order to accommodate and appoint one Sudaliyandi, the Branch Manager had discharged his services and not for the reasons of sickness of I Party. To my mind it is clear that II Party had *bona fide* acted upon the medical expert's report that I Party was physically unit to do any manual work on the belief that the disease with which he was suffering was almost incurable.

15. The I Party had not made any written complaints to the higher authorities that more work was extracted from him and that he had to do cycling for 30 miles per day, which had adverse effect upon his health and he was the only person chosen for delivery work and as a result of which he had become weak. Therefore, I do not find any substance in the allegation of the I Party that he had contacted this disease due to overwork. Except the interested testimoney of the I Party, there is no other evidence to show that the Branch Manager favoured one Sudaliyandi and wanted to get rid of his services. Therefore; this version of the I Party cannot be believed.

16. If Doctor (M.W. 1) had not maintained any registers as required under law or if he had not noted the clinical report in his register, it would not be proper to argue that the management's action was *mala fide*. It may be noted that M.W. 1 possesses post graduate qualification and has 22 years experience as doctor and the II Party management has rightly believed and acted upon the certificate issued by him. The management could not have gone behind the certificate find out whether the opinion given by the Doctor was correct.

17. There is no force in the contention of the I Party that the management has waited for 3 months after the report Ex. M. 3 received from the Doctor (M.W. 1) and then discharged

the services of the I Party unconnected with his health, because the II Party being symphathetic towards the I Party, might have waited for 3 months and watched whether there would be any improvement in his health and I Party was on sick leave during that period.

18. For the fore-going reasons, I hold that the II Party was justified in discharging the services of the I Party workman from 27th August 1971.

19. *Issue No. 2.*—This issue relates to the relief. The learned advocate for the II Party relied upon the Judgment of the Supreme Court in Buckinghan & Carnatic Co. *Vs.* Venkatayya (reported in 1963 II LLJ 638) for the proposition that the II Party cannot be directed to reinstatement or re-employee the concerned workman because discharge was *bona fide* and not in contravention of any provisions of Section 73 (1) of the E.S.I. Act, 1948.

20. An industrial dispute continues till it is adjudicated upon by a competent court or tribunal or it is settled by mutual agreement or the industry in question is no longer in existence. In this view, I am supported by the observations of the Supreme Court in M/s Western India Match Co. Ltd., *vs.* Western India Match Co. Workers Union (reported in 1968-70 Vol. 7 S. C. Labour Judgments 865), wherein it is observed as follows:—

"No reference is contemplated by the section when the dispute is not an industrial dispute, or even if it is so, it no longer exists or is not apprehended, for instance, where it is already adjudicated or in respect of which there is an agreement or a settlement between the parties or where the industry in question is no longer in existence."

That being the position, this Court has jurisdiction during the pendency of the industrial dispute to make a fair and reasonable order and the Labour Court can also create contracts in extraordinary circumstances.

21. It is seen from the various medical certificate copies produced by the II Party itself and other materials in record, that the I Party workman was making repeated and persistent efforts with the management for his reinstatement, but was not successful. It is disclosed from hte evidence of Dr. Gopal, Rao that I Party workman is now physically fit to do the work of Packer and Peon. In the circumstances, I feel that II Party should be directed to appoint I Party as a fresh candidate, Although there is no legal obligation on the II Party to re-aapoint I Party, but since I Party was already in the service of the II Party and his services had been terminated only on the ground that he was physically unfit to continue in service and since after his termination he has regained his health and doctors have certified that he is physically fit to do his former job, it is but fair and proper to direct the II Party to reappoint I Party as a fresh candidate. Since, however, there is nothing to find fault with the II Party the I Party will not be entitled to get any backwages. Hence my Award.

AWARD

22. The management of M/s Rallis India Limited, 320, Linghi Chetty Street, Madras-1, having their branch office at J.C. Road, Bangalore-2, was justified in discharging the services of I Party workman, Sri K. Natarajan. But in the peculiar circumstances of the case, the II Party management is directed to re-employ I Party workman, Sri K. Natarajan, as a fresh candidate without backwages. In the circumstances of the case, the parties are directed to bear their own costs.

Order No. SWL 156 LLA 75

Bangalore, dated 19th August 1975

S.O. 2797.—WHEREAS before the Presiding Officer, Industrial Tribunal Bangalore, a complaint was made under Section 33-A of the Industrial Disputes Act 1947 (Central Act No. 14 of 1947), by Sri G. Bhaskaran, Assistant Supervisor, H.A.L. Head Office, Bangalore-1.

AND, WHEREAS the said Tribunal adjudicated upon the said complaint and submitted its award to the State Government as required under Section 15 read with Section 33-A of the said Act.

NOW, THEREFORE, in exercise of the powers conferred by section 17 of the Industrial Disputes Act 1947 (Central Act No 14 of 1947), the Government of Karnataka hereby directs the publication of the said award in the *Karnataka Gazette*.

By Order and in the name of the Governor of Karnataka,

BEFORE THE INDUSTRIAL TRIBUNAL, KARNATAKA, BANGALORE.

Dated 25th July 1975.

Present

Sri G. S. Bhagwat, B.A., LL.B., Presiding Officer,

Complaint No. 4 of 1972.

in I.D. No. 14 of 1971

Complainant :		*Opposite Party* :
G. Bhaskaran, Assistant Supervisor, H.A.L. Head Office, Bangalore-1.	-vs-	The management of Hindustan Aeronautics Ltd. Head Office, Indian Express Building, Bangalore-1.

Appearances

For the Complainant : Sri M.C. Narasimhan, Advocate, Bangalore.

For the Opposite Party : Sri K. J. Alva, Advocate, Bangalore.

AWARD

This is a complaint in I.D. No 14 of 1971 filed under Section 33-A of the Industrial Disputes Act, 1947, by Sri G. Bhaskaran, Assistant Supervisor, H.A.L. Head Office, Bangalore-1, against the Management of Hindustan Aeronautics Limited, Head Office, Indian Express Building, Bangalore-1, for an award restoring the status *quo ante* by setting aside the Office Order No. 116/71 dated 25th June 1971.

2. The case of the complainant is that immediately before the commencement of the proceedings in I. D. No. 14 of 1971 as a Group-E employee, he was entitled to get compensatory time off if he works for 7 hours or more on Sundays and holidays and further free transport facilities were also being given on all days whenever he was required to work after 8-00 P.M. or Sundays and holidays. These concessions were withdrawn by the Opposite Party unilaterally by Office Order No. 116 of 1971, dated 25th June 1971. No notice of change under Section 9-A was issued before withdrawing the above privileges nor the permission of this Tribunal was sought. The Hindustan Aeronautics (Head Office) Staff Association requested the Management to reconsider the above change but it was not considered and hence this complaint.

3. The Opposite Party, by its written objections, filed on 14th September 1972 contended that the alleged alteration in the conditions of service is not in regard to any matter connected with the dispute in I. D. No. 14 of 1971 and hence the complaint is not maintainable; that the withdrawal of the transport facilities and compensatory time off was given effect to pursuant to the notice of change dated 9th December 1970 and so, it was submitted that there is no cause of action at all for the complainant and the prayer of restoring the status *quo ante* cannot be granted in the circumstances and hence requested to dismiss the complaint.

4. The Complainant in his reply filed on 11th October 1972 asserted that there is violation of both Section 33 (1) and 33 (3) of the Industrial Disputes Act and reiterated the allegations already made in the complaint and asked for an Award as prayed for.

5. On the above pleadings, my learned Predecessor has framed as many as 7 issues. On behalf of the complainant, the complainant himself was examined as C. W. 1 and Exts. C. 1 to C. 6 were marked. So also Exts. 0-1 to 0-4 were marked on behalf of the Management. At this

stage, when the case was called on for recording further evidence, Sri M.C. Narasimhan for the complainant filed a memo duly signed by the Complainant for permission to withdraw the complaint. The complainant who was also present has subscribed to the memo filed by his Advocate in the Matter. Sri K. J. Alva appearing for the Opposite Paaty Management has also conceded thal he has no objection for the permission being granted to the complainant to withdraw the copmplaint. After hearing on both sides, I was being satisfied of the *bona fides* of the Memo field in the case accorded permission to the complainant to withdaw the complaint.

6. In view of what has been stated above, nil award is passed since the complainant is permitted to withdraw the complaint. No order as to costs.

AWARD

This is a complaint filed by the Complainant B. N. Narasimha, under Section 33-A of the Industrial Disputes Act, 1947. The complainants' case is that he was working as a permanent Gate Keeper in the Opposite party talkies since 6 years and at the time of his dismissal he was getting a monthly salary of Rs. 174 that on account of his Trade Union activities the Opposite party was not liking him, that on 21st March 1975 he was working as usual as a Gate Keeper in Rs 1-00 class for the 1st show, that at that time the representative of the Distributors of the picture "MANCHI MANUSHULU" came to Rs 1 75 gate where Sri Ramaswamy was working as Gate Keeper and he asked Ramaswamy to let in his five friends without valid

tickets. For that Sri Ramaswamy informed him that unless the Proprietor gave permission nobody could be permitted inside the auditorium without tickets. The Representative began to quarrel with Ramaswamy and the complainant was constrained to go to the help of Ramaswamy, that ultimately the representative became very angry and went away saying that he would see how both of them would be continued in their jobs, that at about 9 P M. the Proprietor came to the talkies with 4 policemen and asked the complainant and Ramaswamy to go over to his office and both of them went to the office where the proprietor and 4 policemen were. In the office, the Proprietor threatened and forced Ramaswamy to write some matter and forced him to sign and thereafter the Proprietor asked the complainant to write and the complainant told the Proprietor that he did not know, writing and that the Proprietor took his signature on a blank sheet of paper by force and with threats with the help of the Police and asked them to go away and attend the Talkies every day and he would see that nothing would be done either to him or to Ramaswamay. On 27th March 1975 he was served with the discharge order and paid a sum of Rs. 299 that sum included his earned wages of 27 days of the month of March 1975 and Rs. 156 towards one months wages although his one months' wages were Rs. 174 and that although he had not committed any misconduct his services were discharged alleging very grave charges against him and without conducting any enquiry, which amounts, to victimisation and unfair labour practice hence the complaint. The complainant in his application has stated to effect that mandatory provisions of Sec. 33 (2) (b) had not been followed in as much as no application for approval of the action has been made before this Tribunal and that the principles of natural justice have been grossly violated and that the action of the Opposite party in terminating the complainant's services amounts to victimisation and unfair labour practice and that no enquiry was conducted and that although very grave and serious charges were levelled against him and the charges framed against him were denied and that the act of the Opposite

party lacked bonafides and in want of good faith that by force, threats and coercion a letter was extracted from the Complainant with a view to victimise him The complainant has prayed for reinstatement in his former post with continuity of service and backwages and all other conseqential reliefs.

2. The Opposite party in its reply to the application has pleaded that in A. I. D. 10 '72, the parties are the management of 45 theatres and the matter of reference is demands by its workmen and represent by the Mysore State Cinema Emplovees and the President, Cinema Workers' Union, Subedhar Chatram Road. Bangalore-9 that there was a settlement under Sec. 18 (1) of the Industrial Disputes Act between the management and its workmen and the matter had been filed before this Tribunal and as such the dispute between the parties was settled, As an abundunt caution, the Opposite party management had paid the complainant one months' salary as stipulated in provisions of Sub. Section (2) of Section 33. The Opposite party further had pleaded that the complainant was employed as a Gate Keeper in the Opposite party theatre and that he was being paid a salary of Rs. 174 per month and that the Opposite party denied having taken any action, because of the Trade Unions activities that on 21st March 1975 at 6-00 P. M. when the first show of the film "MANCHI MANUSHULU" was screened, the complainant was on duty at Rs. 1.00 class as Gate Keeper that at that time when physical count of the persons in Re. 1. 00 class was made in the auditorium there were 14 persons more than actual number of tickets sold for that class for that show on that day and that the distributors of the picture were also present and that the complainant had indulged in malpractice and was caught redhanded, that the distributors took strong objection and the managements' prestige was lowered and that the management lost confidence in the complainant and constrained to discharge the complainant, and that it had not violated any principles of natural justice and that the contentions of the complainant were not true and denied by the management.

3. When the case came up for hearing on 25th February 1975 and on 26th February 1975 the Opposite party and its representative were absent.

4. It is not disputed that the management had filed on application for approval of discharge of the complainant in Serial No. 40/75 in A. I. D. No. 10/72. It is also on record in A. I. D. 10/72 that the Opposite party and the applicant in that Serial No. 40/75 who is a complainant in this case filed a joint memo of settlement, whereby the management had agreed to reinstate the complainant with immediate effect and with continuity of service and the complainant had agreed not to claim any backwages. On the basis of that joint memo and as there was no evidence in support of the management, Serial No. 40/75 was dismissed. In view of the joint memo filed in that case and in view of the fact that the management has not appeared in this case on those two dates *i. e.* on 25th February 1975 and 26th February 1975, I am of the opinion that this complaint should be allowed in terms of the settlement filed in that application. Hence, an award has to be passed in this case, in terms of the settlement arrived in that Serial No. 40/75 and copy of the same will form as an Annexure in this case.

In the result an Award is passed directing the management to reinstate the complainant with immediate effect with continuity of service and that there should be no victimisation and that the complainant would not be entitled to claim any backwages.

In the circumstances of the case, each party shall bear his own costs.

This is a complaint filed by the complainant V. Ramaswamy, under Section 33-A of the Industrial Disputes Act, 1947. The complainants' case is that he was working as a permanent Gate Keeper in the Opposite party talkies since 6 years and at the time of his dismissal he was getting a monthly salary of Rs. 174 that on account of his Trade Union activities the Opposite party was not liking him, that on 21st March 1975 he was working as usual as a Gate Keeper in Rs. 1-75 class for the Ist show and that at that time the representative of the Distributors of the picture " MANCHI MANUSHULU " came to Rs. 1-75 gate and asked the complainant to let in his five friends without valid tickets. For that the complainant informed him that

unless the Proprietors' permission, nobody could be permitted inside the auditorium without tickets. The representative began to quarrel with the complainant and Narasimha who was another Gate Keeper was constrained to go to the help of the Complainant and that ultimately the representative became very angry and went away saying that he would see how both of them would be continued in their jobs, and that at about 9.00 P.M. the Proprietor came to the talkies with 4 policemen and asked the complainant and Narasimha to go over to his office and both of them went to the office where the proprietor and 4 policemen were. In the office, the Proprietor threatened and forced the complainant to write some matter and forced him to sign the same and the proprietor asked Narasimha to write, that he told the proprietor that he did not know writing and that the proprietor took his signature on a blank sheet of paper by force and threats, asked them to go away and attend the talkies every day and that he would see that nothing would be done either to him or to Narasimha, that on 27th March 1975 he was served with the discharge order and paid a sum of Rs. 299 that sum included his earned wages of 27 days of the month of March 1975 and Rs. 156 towards one months' wages although his one months' wages were Rs. 174 and that although he did not commit any misconduct, his services were discharged after alleging very grave charges against him and without conducting any enquiry, which amounted to victimisation and unfair labour practice, hence the complaint. The complainant has prayed for rein-

statement in his former post with continuity of service and back-wages and all other consequential reliefs.

2. The Opposite party in its reply to the application has pleaded that in A.I.D. 10/72 the parties were the management of 45 theatres and the matter of reference was a demand by its workmen and represented by the Mysore State Cinema Employees and the President, Cinema Workers' Union, Subedar-chatram Road, Bangalore-9 and that there was a settlement under Sec. 18 (1) of the Industrial Disputes Act between the management and its workmen and the matter had been filed before this Tribunal and as such the dispute between the parties was settled that as an abandunt caution, the Opposite party management had paid the complainant one months' salary as stipulated in Sub-Section (2) of Section 33. The Opposite party further has pleaded that the complainant was employed as a Gate Keeper in the Opposite party theatre and that he was being paid a salary of Rs. 174 per month. The Opposite party has denied having taken any action because of the Trade Unions' activities of the complainant and has further stated that on 21st March 1975 at 6 A.M. when the first show of the film "*Manchi Manushulu*" was screened, the complainant was on duty at Rs. 1-75 class as a Gate Keeper, that at that time when physical count of the persons in Rs. 1-75 class was made in the auditorium there were 39 persons more than actual number of tickets sold for that class, for that show on that day and that the distributors of the picture were also present and that the complainant had indulged in malpractices and was caught red-handed, that the distributors took strong objections and the managements' prestige was lowered that the management lost confidence in the complainant and constrained to discharge the complainant, that it had not violated any principles of natural justice and that the contentions of the complainant were not true and denied by the management.

3. When the case came up for hearing on 25th February 1975 and on 26th February 1975 the Opposite party and its representative was absent.

4. It is not disputed that the management had filed an application for approval of discharge of the complainant in Serial No. 40/75 in A.I.D. No. 10/72. It is also on record in A.I.D. No. 10/72 that the Opposite party and the applicant in that

serial No. 40/75 who is a complainant in this case had filed a joint memo of settlement, whereby the management had agreed to re-instate the complainant with immediate effect and with continuity of service and the complainant had agreed not to claim any backwages. On the basis of the joint memo and as there was no evidence in support of the management, Serial No. 40/75, was dismissed. In view of the joint memo filed in that case and in view of the fact that the management has not appeared in this case on those two dates i.e., on 25th February 1975 and 26th February 1975, I am of the opinion that this complaint should be allowed in terms of the settlement filed in that application. Hence, an Award has to be passed in this case, in terms of the settlement arrived in that Serial No. 40/75 and a copy of the same will be as an Annexure in his case.

In the result an Award is passed directing the management to re-instate the complainant with immediate effect and with continuity of service. It is also ordered that the complainant would not be entitled to claim any backwages.

In the circumstances of the case, each party shall bear its own costs.

AWARD

1. The Government of Mysore (now Government of Karnataka) in their order No. FCL 185 LLD 73 dated 27th April, 1973, have referred an industrial dispute existing between the above named parties to this Court for adjudication on the points of dispute noted below :—

"I. Is the management of Ideal Jawa (India) Private Ltd., Yadavagiri, Mysore-2, justified in dismissing Sriyuths: 1. Abdul Rauf, T. No. 244, Machine Shop and 2. M. A. Krishnamurthy, T. No. 903, workmen, with effect from 31st August 1971 and 28th March 1970 respectively from service ?

II. If not, to what relief are the above two workmen entitled ?"

2. On receipt of reference, it was registered as Reference No. 39 of 1973 and notices were issued to the parties, which were duly served on them. The first party filed their claims statement on 16th August 1973 and the second party filed their counter statement on 28th September 1973.

3. On 3rd June 1974 a settlement was reached between the first member of the I Party, namely, Abdul Rauf, and the II Party and accordingly a joint memo was filed. An Award was passed in terms of the said joint memo in respect of first member of the I Party and the II Party on 3rd June 1974. The operative portion of the award dated 3rd June 1974 reads as follows :—

"In the result, so far as the 1st member of the first party, namely, Abdul Rauf, is concerned, I pass an award in terms of the joint memo which shall be annexed to this award and be deemed as forming part of it. For the other member of the first party, namely, Sri M. A. Krishnamurthy, the reference will continue. No. costs.

4. The case continued in respect of Sri M. A. Krishnamurthy. To-day when the case was called on for hearing, both parties were present and filed a joint memo and prayed for an award in terms of the same. I have perused the joint memo and find the terms of the settlement to be fair and reasonable. Hence I accept the same.

5. In the result, I pass an award in terms of the joint memo between II Party and 2nd member of first Party, Sri M. A. Krishnamurthy, which shall be annexed to this award and be deemed as forming part of it. No costs.

Respondent :

M/s M. A. Raoof, Engineering Works, Nehru Gunj Road, Gulbarga.

G. O. No. SWL 276 LLD 74, dated 26th June 1974.

JUDGEMENT AND AWARD

The Government of Karnataka have made this reference under clause (c) of sub-section (1) of section 10 of the I.D. Act 1947 (Central Act 14 of 1947) referring the dispute between Sri Md. Khaleel Ahmed Ex. employee of M/s. M. A. Raoof Engineering Works, Gulbarga and the Management of M/s M. A. Raoof Engineering works, Nehru Gunj,

Gulbarga to this Court for adjudication on the following points of dispute.

> "Is the Management of M/s M. A. Raoof Engineering Works Nehru Gunj, Gulbarga, justified in terminating the services of Sri Md. Khaleel Ahmed with effect from 21st November 1972 ?
>
> If not, what relief the said workman is entitled to ?"

2. The claimant in his claim statement states as ollows : The claimant was in service with the Respondent as permanent worker (welder) from 21st November 1970 and was discharging his duties to the satisfaction of the Respondent. That the claimant was paid Rs. 140 p.m. as wages by the Respondent. The Respondent disbursed the wages of the claimant upto the end of January 1972. Later he failed to pay the wages from February 1972 and onwards. The claimant demanded the wages from the Respondent orally but the Respondent postponed the payment by showing one or the other reason. That the Respondent without assigning any reason and without giving any notice terminated the services of the claimant with effect from 21st November 1972. The claimant submits that the action of the Respondent in terminating the services of the claimant without paying any compensation and without assigning any reason is not justified. The claimant submits that the Respondent instead of reinstating the claimant as per his request beat the claimant and detained him illegally with the help of other three persons. The Organising Secretary filed a complaint before the P. S. I. Chowk, Gulbarga under intimation to the Labour Officer, Gulbarga about this accident on 4th March 1973. He prays that he may be reinstated in service with full back wages and continuity of service.

3. The Respondent in its written statement pleads as follows :—The claimant approached for work during January or February 1972. As the Respondent was not having sufficient work to be provided to him so he told him to come again after a week. Accordingly after a week the claimant came and he gave him work on the piece-rate

basis and as such he worked with him hardly 3-4 months. During this period he used to attend the work in some other workshop in the night. Some times, due to heavy work in the night in a other workshop, he used to sleep in his workshop stating that he is not feeling well. As the Respondent was not sustaining any loss by his attitude so he never object for this. During the month of April 1972 he went to Humanabad to attend some urgent work. He engaged the petitioner in the work and giving some instruction he left Gulbarga and on the same day in the evening he came back to workshop. But to his surprise that the claimant was not present in the workshop and he found that some of the important machinery parts were missing. Immediately he sent a man to the house of the claimant but the claimant flately refused to come and see him. There was no alternate to the Respondent to bring him forcely and accordingly he brought to his workshop. On enquiry he said that he is not responsible for the missing machinery parts which worth Rs. 400 and he threatened him that if he lodged any complaint in the Police, he will use to service of Gundas. From the date of that incident he never turned up for work. He is not entitled for any compensation or any relief. He prays that the reference may be rejected with costs.

4. In support of his case the claimant has examined himself and has closed. No documentary evidence is adduced on his behalf. The support of its case the Respondent has examined himself and has closed. No documentary evidence is adduced on its behalf also.

5. I have perused the records and heard Sri Vijaya Kumar learned representative for the claimant and Sri Rajanna learned advocate for the Respondent.

6. The claimant as WW-1 has stated that he was working in the Respondent Factory as Welder. He was working from November 1970. He was getting a salary of Rs 140. He got salary till January 1972. Afterwards his salary was stopped. He was working till November 1972. After November his services were terminated. The Res-

pondent went on postponing the payment of his salary. No notice was issued to him before his services were terminated. No notice pay was paid to him. After his services were terminated he approached the Union. There were conciliation proceedings. The conciliation proceeding ended in failure. He prays that he may be reinstated in service with full back wages and continuity of service

7. In cross examination he states that it is not true that he is running a welding shop in his name. He works here and there. It is not true that he is doing welding work here and there since the beginning. He do not know the date when he was employed first. He know the month. In November 1970, his pay was Rs. 135 p.m. for one year he got the salary of Rs. 135. He has not produced any documents to show that he is an employee of the Respondent. On 31st November 1972 his services were terminated. He has not issued any notice to the Respondent claiming arrears of salary. There were many people present when he was detailed by the Respondent. But he cannot give their names.

8. The Respondent as MW-1 has stated that he knows the claimant. He was never their employee. During the year 1972 he had come to him. He told him that he was in need of work and that he might be given work for 3 or 4 days. He told him that at present there was no work and whenever, he required work, he would send for him. After 15 or 20 days he came. He gave him work for 2 days. During April 1973 he had gone to Humanabad for some urgent work and he had given charge of his Factory to the claimant. When he returned from Humanabad he found shortage in material and they were missing. He questioned the claimant. He replied that he did not know anything. He was about to lodge a police complaint, against the claimant. But the claimant threatened with dire consequences with the help of Gundas. So he did not lodge the Police complaint. After this incident the claimant did not turn up.

9. In cross examination he states that they have employed no workers in their factory. They 5 or 6 brothers

work in the factory. When he had gone to Humanabad he had asked one of his younger brothers who is disabled to sit in the factory. When he had gone to Humanabad he had given the key of the factory to his younger brother. His other brothers are not resident at Gulbarga. They do welding, lathe machine and turning. He has not maintained any attendance register as he has employed no body. It is not true that he had detained the claimant once in the factory and had beaten him.

10 I am satisfied that the Respondent has not employed any body in his workshop and only he and his brothers do the work. If he had employed workers then he was to maintain muster roll and acquittance roll etc. If he had maintained muster roll and acquittance roll etc., the claimant would have certainly asked him to produce those documents in Court and the claimant would have proved that the Respondent has employed workers and he was one of them. I am struck by the straight forward evidence given by the Respondent MW-1. There are no registers maintained. He could have simply pleaded that the claimant never came to his workshop and he never worked. But that is not his version He fairly states that the claimant used to work in his shop once in a way previously to the incident in which the Respondent lost machinery parts worth Rs. 400 when he had gone to Humanabad. He fairly states that he gave charge of the workshop to the claimant when he had gone to Humanabad and when he returned, he found the machinery parts missing. Thereafter the claimant never came. So it is established satisfactorily that the Respondent had not employed the claimant as a regular employee and he was not on the muster roll of the Respondent. In fact no muster roll is maintained by the Respondent as only his brothers and himself work in the workshop. As the claimant was not an employee of the Respondent there is no question of the Respondent terminating his services. The Reference must be rejected

Second Party.—

The Management of Indian Telephone Industries Limited, Dooravaninagar, Bangalore-16.

Reference.—Government order No. SWL 1511 LLD 73 dated 21st June 1974.

AWARD

1. The Government of Karnataka in their order No. SWL 1511 LLD 73, dated 21st June, 1974, have referred an industrial dispute existing between the above named parties to this Court for adjudicaion on the points of dispute noted below :—

"Are the management of Indian Telephone Industries Ltd., Dooravaninagar, Bangalore-16, justified in dismissing Sri K. R. Jagannatha Rao from service with effect from 22nd March 1969?

If not, to what relief the said worker is entitled ?"

2. The first party filed his claim statement saying that he had joined the services of the second party on 20th April 1956, and he has discharged his duties honestly till he was wrongfully dismissed from service on 22nd March 1969 ; he has been dismissed from service alleging that he has committed theft of company's property; the allegation was that he and another workman Sri V. S. Kumar carried copper plates on their person and were caught and dismissed from service; if that were to be true, the management ought to have conducted a joint enquiry; instead they had conducted separate enquiries and that has prejudiced I Party; he has been victimised because of the fact that he had given evidence in favour of V. S. Kumar and since then the Watch & Ward were against him ; the enquiry procedure was not in accordance with the certified Standing orders and was opposed to the principles of natural justice; the dismissal was *mala fide* and the dismissal order was perverse; he had put in unblemished service of 13 years; while awarding punishment the II Party should have taken into account his past service and other extenuating or aggravating circumstances; the second party failed to appreciate that the watch and ward had falsely involved him in the case, while the other man, namely, V. S. Kumar, had committed theft; he had given a detailed statement as to what happened on 30th November 1968 and how he was threatened and his signature was taken on the statement prepared by the watch and ward. Hence, the order of dismissal be set aside and he may be reinstated with back wages and other reliefs.

3. The second party filed objections on 5th October 1974 saying that it was not correct that I Party had discharged his duties honestly; on 30th November 1968 I Party, who was on duty in the Factory General Shift (FG) from 7-30 A.M. to 4-15 P.M. passed through he Administration building rear gate at about 4-00 P.M. and on suspicion he was taken and was searched, when he was found to have tied copper flates belonging to the company measuring 9½" x 2" x ½" (approx) on the sides of the shin bones of his legs (2 flats in each of his legs) wound with white bandage cloth and cotton chord; a chargesheet dated 5th December 1968 was issued to him directing him to submit his explanation within the stipulated time and also intimating him of the appointment of an Enquiry Committee to enquire into the case; he had submitted his explanation which was not satisfactory; a fair and impartial enquiry was conducted in full confirmity with the principles of natural justice; I Party was given full and fair opportunity to participate in the enquiry and as required by him, another employee of the company of his choice by name, Sri C. J. Christopher, was permitted by the Enquiry Committee to participate in the enquiry to assist in the enquiry fully; the enquiry committee found the I Party guilty of misconduct of theft of company's property under para 13.4 of the Standing Orders; the management carefully considered the proceedings and findings of the enquiry committee and held that the I Party is guilty of misconduct under para 13.4 of the Standing Orders of the company and as ordered by the management he was dismissed from services of the company under para 14.7 read with 13.4 of the Company's Standing Orders with effect from 22nd March 1969; an application under section 33(2) (b) of the Industrial Disputes Act was filed before the Additional Industrial Tribunal, Bangalore; the Tribunal granted approval of the action of dismissal taken by the company on 8th December 1972; the second party denied that the enquiry was not fair and proper; the question of joint enquiry does not arise at all as the acts of misconduct were committed separately and the II Party proceeded with the disciplinary action individually; the allegation of victimisation was not true; the statement that he has been victimised because of the fact that he

had given evidence in favour of one V. S. Kumar was too far fetched one and further the statement that the Watch and Ward are against him is absolutely baseless; the action of the second party is *bona fide* and legal; the findings of the enquiry committee was based on a proper objective assessment of all the evidence available before the committee; the misconduct committed by the first party is of such a grave and serious nature meritting dismissal from service of the company. The statement that the punishment inflicted against the first party is shockingly disproportionate to the gravity of misconduct is not true; the allegation that the charges were concocted and I Party's signature was taken on the statement is absolutely false; the action of the second party is fully legal, valid andjustified; hence the reference be rejected.

4. The points of dispute were taken as issues.

5. On behalf of the II Party, one B. W. Sathyanarayana Chief Superintendent of the II Party, has been examined a M.W. 1. His evidence is to the effect that he was one of th members of the enquiry committee in respect of the misconduc committed by I Party; Ex. M. 1 is the order of appointment a member of the enquiry committee; they held the enquiry; Exhi bits M. 2 to M. 14 are the documents relating to the enquiry the worker appeared in person before the enquiry committee an had a co-worker to assist him; the worker was given on opport unity to cross-examine the management witnesses; he had exa mined one witness for his defence; after the enquiry they sub mitted their findings. In cross-examination, he had denied th suggestion that he was only an observer and did not participat in the enquiry; the witnesses gave their statement in Tamil an they had taken down in English; he is not sure whether worke had told the committee that he was not conversant with Tami he admitted that the worker had told that he was not conversan with English; the enquiry proceedings does not show that the had explained to the worker in Kannada language and it is n found on record that worker knew Tamil; he denied that the did not explain to the worker in the language known to him; I

does not remember how many persons were totally examined as management witnesses. I Party had asked for the register at the Rare gate of the Administrative Department; an extract was produced not the register. He has not seen the original of Ex. W. 1; the workman did not insist that original should be produced saying that it bears his signature; they did not conduct joint enquiry of Mr. Kumar and I Party. He admits that the allegations both against Kumar and I Party workman were of similar nature under the same time and character. They did not take any steps to summon Kumar and examine. In re-examination he told that the cross examination on behalf of the I Party workman was done by the person who had been appointed to assist him and I Party assisted him

6. I Party workman got himself examined as W.W. 1 and has stated that he does not know Tamil and English; he speaks only Kannada; the witnesses were examined in English and Tamil; he had asked the enquiry officer to explain the deposition in Kannada, but he was told that it was not possible; the enquiry officer was not allowing him to put any questions to the witnesses saying that he (enquiry officer) knew all those things. One Sudarshan, Security Department, had complained against him; there was enemity between himself and Sudarshan. There was some dispute between Kumar and Security Officer and in the enquiry, security staff had cited him as a witness; he gave evidence in favour of Kumar and against security staff; hence the security department had a grudge against him; he called for Register maintained at the Rear Gate of the Administration Department but that was not produced; he had also made a request to examine the Security Guard of the Administration Department, but they were not examined. In cross-examination, he admits that he has signed the enquiry proceedings every day at the close of the priceedings. He further admits that his observer, Christopher has also signed. He says that Christopher used to talk with him in Kannada and he (Christopher) knew English. But he does not know that Christopher was a Tamil Christian and says that he does not know whether Christopher knows Tamil. His mother tounge is Marathi and he knew only

Kannada. He does not whether Christopher made a request to translate Tamil depositions into Kannada. In the enquiry when he had asked how to cross-examine the witnesses, he was told that Christopher would cross-examine. However, he denied the suggestion that he never complained to the Enquiry Committee that he was not conversant with Tamil and that it should be translated into Kannada. He has not complained to the management in writing. He denied the suggestion that he did not request to produce the original of Ex. W. 1. He admits that he told that he has got only one witness to examine in defence and that witness has been examined. When Mr. Sundareshan came as management witness, he wanted to put the enemity issue in cross-examination and made an oral request but that was not allowed. He admits that he did not give anything in writing.

7. By order dated 20th March 1975, I have held that the domestic enquiry held against the I Party is fair and proper. Now the arguments on merits have been heard.

8. In the present case, it is urged on behalf of the I Party that I Party was first searched at the first gate (Administration gate) and when nothing incriminating was found once again he was searched at the second gate and a false allegation was made against him that he was found to have tied copper flats on the sides of the shin bones of his legs and this was on account of the grouse which the Security Staff had against him as he had given evidence in favour of one Kumar and against the management in a domestic enquiry. It is further submitted that no marks were found on the body of the I Party when he had allegedly tied the copper flats to his legs.

9. Mr. Bopanna, learned counsel for the II Party, in this connection submitted that when a person was walking in a suspicious way, the Security Staff took the full search at the second gate and not at the administration gate and that is permissible under the Standing Orders and in fact Security Staff did not have any grouse against the I Party workman. So far as the marks

on the skin were concerned, he pointed out that M/s B. N. Radhakrishna and K. S. Radhakrishna, who were examined in the domestic enquiry on behalf of the management, had stated that they did not notice. That means, that the witnesses did not observe and not that there were no marks on the skin. He further submitted that he marks depends upon the length of time for which they were tied to the leg and they may be not visible if it is of a long duration and may be visible if it is of a less duration. That is only a circumstantial evidence and when the I Party workman had been searched by the Security Staff in the presence of independent witness under a mahazar, it should be taken that he was caught redhanded.

10. The absence of the marks on the body of the I Party and the alleged enemity of the security staff would throw some doubt had it been a criminal trial and in that case there were probabilities of I Party being given the benefit of doubt. But the degree of proof which is required for a domestic enquiry is entirely different of that of a criminal case. In support of this view, I quote herewith the observations of the Madras High Court in Workmen of Ruby Rubber Works (Madras) Limited *vs.* Ruby Rubber Works (Madras) Ltd., and another (reported in 1970 Vol. 37 F.J.R. 514), which are illuminating :—

"As far as the second contention is concerned, the learned counsel for the petitioner himself admitted that the workmen concerned were acquitted after giving them the benefit of doubt on the ground that the charge against them was not proved beyond reasonable doubt. That finding of the Court is with reference to the basic judicial principles of criminal justice that the burden is on the prosecution to prove the guilt beyond any reasonable doubt, and if there is any doubt, the accused is entitled to the benefit of the same, and this principle has no application to disciplinary proceedings that may be taken by a master against a servant. If the workmen had been acquitted on it being found that the charge made against them was false and they were innocent, the position will be different. While the innocence of the workmen was not established, and they were acquitted solely on the basis of benefit of doubt having been

given to them, it cannot be contended that the enquiry conducted by the management in relation to the same conduct is barred by that conclusion of he criminal court. Consequently, in my opinion, there is no substance in this contention either."

Theft is a thing which would make the II Party management to lose confidence is the I Party. There was ample evidence before the enquiry committee to come to the conclusion that the I Party workman was found guilty of the alleged theft.

11. Witness B. N. Radhakrishna in the domestic enquiry has stated that when a search was made on Sri Jagannatha Rao, 4 pieces of Copper Flats, 2 to each leg was seen by him in tied condition to his legs; he has signed the statements of Shri Jagannatha Rao as a witness and the mahazar; he did not speak to Jagannatha Rao nor did he interrogate him; the mahazar and the statement of Shri Jagannatha Rao were recorded by the Assistant Security Officer and Jagannatha Rao was not forced to sign any of them. He tells that Shri Jagannatha Rao told him that he (Jagannatha Rao) committed theft for personal gains in his statement. He further deposed that the Mahazar and the statement of Sri Jagannatha Rao were explained to him; Sri D. Srinivasalu signed as a witness in the Mahazar.

12. Sri Srinivasalu in the dimestic enquiry has stated that he was called by Sri Shanmuga Sundaram, Engineer of Frame Works over phone to go to the Admin. Block Control Room and when he came there, the material was kept ready for weighment and he took it for weighment to Finishing Department along with Sri Radhakrishna, Sri Rangappa and one Security Guard and weighed the bundles. After his return from weighment, the mahazar and the statements from Sri Jagannatha Rao and Sri Kumar mere taken. Sri Jagannatha Rao answered the question of Security and no force was used on him and he does not remember in which language Sri Jagannatha Rao gave his statement.

13. Sri Rangappa, another witness in the domestic enquiry, has stated that when a search was made on Sri Jagannatha Rao he saw copper bars tied to the shin bone of Jagannatha Rao and

he has signed the mahazar and went away before the conclusion of the individual statement. He further said that he did not see any mark or colour on the body of Jagannatha Rao.

14. Witness Radhakrishna of Security Dept. in the domestic enquiry has stated that Sri Jagannatha Rao and Sri Kumar were brought by Sri Sudarshan from Admn. Rear Gate and they were searched in the presence of witnesses and found in possession of copper flats in their legs. He says that he united the material from the legs of Sri Jagannatha Rao and he did not notice any change in the colour of the skin and he was present when the material was weighed.

15. Witness Sudarshan in his evidence in the domestic enquiry has stated that he was standing near the Admin. Rear Gate and was supervising the work at about 4-05 P.M. and saw 2 employees passing through the Admn. Rear Gate and before they could be searched by the Guard on duty there, he wanted to make a thorough search of them as they were walking unusually. When he held and told them that he wanted to search them, they interrogated why he wants to search and on whose authority, and meanwhile an employee was passing that way, whom he came to known as Shri Radhakrishna of F-3 later. He called him and asked him to accompany him for search in the Supervisors' Room. Shri Radhakrishna, Security Supervisor who was standing near Admin. Rear Gate also came with him. While going via Reception Hall he took Sri Rangappa of Welfare Department who was there on duty and when he searched the two persons, he found something hard tied to their legs and whom he lifted the pants of both the persons, whom he came to know later as Sri Kumr and Sri Jagannatha Rao he saw copper flats belonging to the Company tied to their legs. Immediately he said the security staff to inform SYO and ASYO and he showed the company material on the person of Sri Jagannatha Rao and Sri Kumar to the witnesses and handed over the case to the ASYO for further action. He further stated that he has mentioned in his complaint dated 30th November 1968 under the subject column as theft of company material as the person was

hiding and concealing the company material on his person from the factory premises. He deposed that the search was done in the Supervisor's Room.

16. Defence witness Sri Chandre Gowda has stated that he was not aware of anything that happened on 30th November 1968 and had heard people talking about the case. He admits that he does not know anything about the case.

17. The I Party in his final deposition before the Enquiry Committee stated that on account of his giving evidence in the enquiry against Sri Kumar, the entire security staff are antagonist and hostile towards him and that was why he has been charge-sheeted and the security have acted on doubts. He has stated that he was searched at the Admin. Rear Gate itself and he was lead to the Reception Hall and before the Control Room and Supervisors, Room, he was made to stand till 4-30 P.M. to 4-45 P.M. and from there, he was taken to the SYO's office and there some statements were shown to him and he was compelled to sign them and as he had no other go in that helpless condition, he had signed them. In summing up, he has said that he has not committed theft of company property and no material was recovered by the security from his person; the material was kept in the SYO's room and he was threatened with dire consequences and he was compelled to sign the same. He admitted that he has not let in evidence regarding his enimity with Security as he did not think of it. He denied that the Mahazar and the statement were read out to him. He further admitted that although he can read English, he did not read the mahazar as it was not given to him when he asked for it; he also admitted that he has not questioned any of the witnesses who were present.

12. From the above discussion of evidence, it is clear that there is no reason to disbelieve the version of those witnesses examined on behalf of the management except the vague allegation that they were ill-disposed of towards the I Party workmen. No evidence has been lead on behalf of the I Party to show that they had enimity against I Party and that they were giving

false evidence against him. Based upon the evidence discussed above, the Enquiry Committee had come to the conclusion that the I Party was guilty of theft of the company's property. In the circumstances, the II Party management was justified in terminating the services of the I Party workman.

13. At the time of arguments, Mr. S. Krishnaiah, learned counsel for the I Party, has produced a sketch showing the gates and the spot where I Party was exactly searched and also 3 certificates awarded to the I Party workman by the II Party. First one is a Memorandum dated 20th July 1965 rewarding I Party for suggestion; second one is a certificate of merit in recognition of a commendable suggestion dated 21st September 1965 and the third one 10 Years service certificate of appreciation. Relying upon these certificates, Mr. S. Krishnaiah, has submitted that in view of these appreciative records, the punishment imposed upon the I Party is excessive and undully harsh.

14. As already stated above, thefts is a thing which would make the II Party lose its confidence in the I Party. But since some benefit of doubt would have gone to the accused if it were to be a criminal trial, the discharge simpliciter instead of dismissal would have been a proper order.

15. In the result, I pass an award converting the punishment of dismissal into discharge simpliciter. The II Party management is directed to pay the terminal benefits which the I Party was entitled to receive. The I Party is not entitled to any other reliefs. In the circumstances, parties are directed to bear their own costs.

AWARD

The Government of Karnataka being of opinion that an Industrial Dispute existed between the workmen and the management of Mangalore City Municipality, Mangalore in exercise of the powers conferred on the State Government under Section 10 of sub-section 1 and clause (d) of the Industrial Disputes Act, 1947, by their Order No. SWL 1122 LLD 73. dated 14th March 1974, referred the said dispute and called upon for adjudication on the following points of dispute:

"I. Are the management of Mangalore City Municipality, Mangalore, justified in keeping Sri Mudara, Gang Worker under Suspension from 25th February 1971 to 6th January 1972 ?

II. If not, to what relief the above said worker entitled ?".

2. In this Tribunal the said reference has been registered as A.I.D. No. 4/74. The I party workman concerned in this case in Mudara who was engaged as a Gang Mazdoor in the II party Municipality. The said Mudara was kept under suspension from 25th February 1971 to 6th January 1972 as per the proceedings No. F6/ 1971 dated 24th February 1971 by the II party on the allegation that he had abused one Sri A. Ramachandra the then member of the State Legislature and he was being paid subsistence allowance of Rs. 20 plus usual allowances admissible under the rules. He was issued a notice dated 23rd July 1971 from the Enquiry Officer to give his explanation to the charges mentioned in the notice. Mudara denied the charges framed against him. An enquiry was ordered to be held in respect of the charges framed against him and the Enquiry Officer held the enquiry and submitted his report on 12th August 1971. His findings were that there was no sufficient proof regarding the incident mentioned in charge number 1 and that the second charge against him was also not true.

3. The case of the I party workman is that no order was passed by the II party. The I party Union had addressed a letter to the Commissioner requesting him to pass a final order on the matter by its last letter dated 21st September 1971, and that as the Commissioner did not pass any orders, the Union gave a complaint to the Assistant Labour Commissioner. Inspite of the notice issued by the Assistant Labour Commissioner to the II party, the II party did not care to be present before the Assistant Labour Commissioner and that finally the representative of the II party appeared and agreed to take back the workman to the work and to give final orders. The workman was taken back by proceedings F-6, dated 6th January 1972, but no final orders were passed as agreed upon. The Union once again complained to the Assistant Labour Commissioner by its letter dated 17th November 1972 and the Assistant Commissioner for Labour had posted that complaint for conciliation in the month of March, April, May, June, and July, 1973. The II party never attended the conciliation proceedings. The workman had completely denied the charges against him. The alleged incident for which the I party workman had been charge-sheeted had taken place after duty hours and against the persons who had nothing to do with the Municipality. The II party was not able to sustain the alleged charges against the workman, that it wants to punish him some how. That with that intention his suspension was unnecessarily prolonged and he was denied his salary in that period of suspension and that the order of suspending the workman was illegal, unjust and motivated by **mala fide** intention and the Management of the Mangalore City Municipality was not justified in keeping him under suspension from 25th February 1971 to 6th January 1972. The workman has prayed that full salary and other benefits due to him for the said period might be ordered to be paid to him and also the cost of the I party.

4. The II party in its counter statement while admitting that the workman was kept under suspension as stated by him has pleaded that by proceedings dated 6th January,

1972 the I party workman was reinstated with immediate effect, pending final orders and he received the said memo on 7th January 1972 and joined duties. The management dropped the matter taking lenient view that suspension would meet the ends of justice. It was denied by the management that it was motivated by **mala fide** intention and has further stated that the suspension of the worker was just, proper and lawful. Therefore he was not entitled to any salary during the period of suspension. It was also pleaded that the dispute ought to have been referred to the Labour Court as it was under schedule No. II and that this Tribunal had no jurisdiction to adjudicate upon the question of the suspension or to give relief to the workman and that the reference be rejected with costs.

5. On the pleadings the following issue was framed by this Tribunal:

Whether this Tribunal has no jurisdiction to adjudicate on the question of suspension for reasons stated in para 7 of the Counter ?

6. On behalf of the II party M.W. 1 K. Jagannatha Rao had been examined and the case of the II party was closed. On behalf of the I party workman it was submitted that it had no oral evidence to adduce and no witness to examine and the I party closed its case.

7. K. Jagannatha Rao M.W. 1 is the Superintendent working under the II party. He has produced the enquiry papers regarding the enquiry held against the I party workman. The I party workman was given a notice dated 24th February 1971 alleging that he had abused Sri A. Ramachandra, M.L.A., with filthy language on 22nd February 1971 at about 6.30 p.m. in the presence of the persons gathered near the market of Urva Stores. He was kept under suspension with immediate effect and that he would be paid a subsistence allowance of Rs. 20 plus usual allowances admissible under the rules. This notice was issued by the II party to the I party workman on the

complaint dated 24th February 1971 Ext. M-1 (a) given by A. Ramachandra. The workman had given explanation denying the allegations as per Ext. M-1 (c). The following charges were framed against the workman by a charge-sheet by the final proceedings of the II party dated 24th February 1971.

(1) That Mudara, Gang Mazdoor had abused Sri A. Ramachandra, M.L.A., Daddalkad with filthy language on 22nd February 1971 at about 6.30 p.m. in the presence of persons gathered near the market, Urva Stores.

(2) That he had misconducted himself.

8. It is not disputed that the Enquiry Officer held an enquiry against the said charges on 3rd August 1971 and 11th August 1971 in the presence of the I party workman and that 3 witnesses were examined by the complainant on 11th August 1971. The Enquiry Officer in his report has submitted as follows :

"There is no sufficient proof regarding the incident mentioned in charge No. 1 and the witnesses give different versions. The second charge relating to misconduct on the part of Mudara also is not proved in the light of the different versions in respect of charge No. 1 by the witnesses. The charges are therefore not proved against Sri Mudara". The report is dated 12th August 1971. Although that report was given on 12th August 1971 it is not disputed that the I party workman was not taken to duty till 6th January 1972 only and that he was under suspension from 25th February 1971 to 6th January 1972. Of course, the said suspension pending enquiry must be held to be justified. But if that suspension has been inflicted as punishment then it must be held that it is against law and cannot be sustained. In the written statement of the II party it has been stated that "the management dropped the matter taking lenient view feeling suspension would meet the ends of justice". So it is very clear that the management dropped the matter feeling that suspension would meet the ends of justice, so it must be held that the suspension has been treated as a

punishment to the workman. It is very clear from the enquiry that the Enquiry Officer had found that the charges against the workman had not been proved. Therefore, the management could not have punished the I party workman on the basis of that report and on the alleged misconduct committed by the workman. The management has also not sustained its order by adducing any independent evidence before this Tribunal. Therefore, it must be held that there is no basis for the II party to inflict the punishment of suspension for the period in question. It must be held that the suspension order inquestion by way of punishment is not justified and not legal.

9. If a workman against whom an enquiry is held and is suspended during enquiry or even after the enquiry is over and if he is ultimately found not guilty of the charges, he is entitled to all the backwages and all the benefits which he would have got as if he were not kept under suspension. Therefore, in this case it is seen that the I party workman has not been held to be guilty of charges held by the Enquiry Officer, so he is entitled to all the backwages and other benefits, after deducting the amounts which have been paid to him during the suspension period.

10. So far as the additional issue framed in this case the II party representative did not press this issue at the time of argument. He submitted that this Tribunal has jurisdiction to adjudicate the point in question, hence that issue is held against the II party.

In the result an award is passed holding that the management of Mangalore City Municipality are not justified in keeping Sri Mudara, Gang-worker under suspension from 25th February 1971 to 6th January 1972 by way of punishment and that the said Mudara was entitled to get all his wages, pay and other allowances which he would have been entitled to get during that period, deducting the amount the said Municipality has paid during that period.

The workman shall be given all other benefits of service. As the I party succeeds in this reference, the II party shall pay costs of Rs. 50 to him and bear its own costs.

Presiding Officer :

Dated 29th July 1975.

Claimant :	*Respondent* :
Sri R. G. Hurkadli, Javalipeth, Dharwar. (Rep. by Sri R. R. Talecherikar) Advocate.	The Director, The Dharwar Electrical Industries Ltd., Dharwar.

Government Order No. SWL 57 LLD 75 dated 18th March 1975.

JUDGEMENT & AWARD.

The Government of Karnataka have made this reference under clause (c) of sub-section (1) of Section 10 of the I D. Act 1947 (Central Act 14 of 1947) referring the dispute between Sri R. G. Hurkadli, Ex Engineer of Dharwar Electrical Industries Ltd., Dharwar and the Management of Dharwar Electrical Industries Ltd.,

Dharwar, to this Court for adjudication on the following points of dispute:

> "Is the Management of Dharwar Electrical Industries Ltd., Dharwar, justified in terminating the services of Sri R. G. Hurkadli with effect from 19th January 1974;
>
> If not to what relief the workman is entitled?"

2. The claimant in his claim statement states as follows:

He was a permanent workman of the Precima Manufacturing division of the Dharwar Electrical Industries Ltd., Dharwar. He was employed as an Engineer and was drawing a salary of Rs. 500 p m. on the date of termination. In the first week of January 1974 he fell ill with typhoid and he sent leave application with Medical certificate. When he was still in bed on 12th January 1974 he received a memo from the Respondent charing him of unsatisfactory attendance and supervision, indiscipline absence without intimation and irresponsibility. The memo further stated that unless you reform yourself and attend to your duties strictly to factory, the factory has to seriusly consider about continuance of your service. Further memo also called for explanation as to why disciplinary action should not be taken against him. The above stated memo did not contain any specific charge and no cases of indiscipline or absent from duty or unsatisfctory supervision or in fact, any of the charges made was cited in the above referred memo. Further no specific date was given by which he was to submit his explanation. As he was in bed with Typhoid, he could not submit his explanation for 2 weeks. On 20th January 1974 he received the dismissal order, dated 19th January 1974. The dismissal order is illegal, inoperative, null and void. The charge-sheet issued to him did not contain any specific charges and was vague. No opproutnity was given to the claimant to explain his case. No enquiry was held

against him. The principles of natural justice has been violated. He prays that he may be reinstated in service with full back wages and continuity of service.

3. The Respondent has not filed written statement. It has remained *ex-parte*.

4. The claiment has examined himself and has closed Ex. W-1 to W-3 are the documents filed for him.

5. I have perused the records and heard Sri Rangarao Talecherkar, learned advocate for the claimant.

6. The claiment as WW 1 as stated that he was working as an engineer in the Respondent Company on pay of Rs 500. In January 1974 he fell ill attached by typhoids. Since 8th January 1974 he could not attend the office. He submitted leave application along with Medical Certificate on 12th January 1974, The Respondent served him memo dated 10th January 1974 Ex. W-1, calling for explanation. He received Ex. W-1 on 12th January 1974. He could not submit his explanation. Before he could submit his explanation he received the order of dismissal dated 19th January 1974. The dismissal order is Ex. W-2. No. domestic enquiry was held against him before he was dismissed. Then he approached the Assistant Labour Commissioner, Hubli. Ex. W-3 is the letter dated 11/12th September 1974 received by him from the Assistant Labour Commissioner, Hubli directing him to approach the Management. In pursuance of that letter he approached the Management. He met the Managing Director. But he was not reinstated. He prays that he may be re-instated in service with full back wages and continuity of service.

7. As I stated the Respondent has remained *ex-parte*. So I must accept the evidence of the claimant that no domestic enquiry was held against him before he was dismissed. The order of termination must be set aside and he must be reinstated.

AWARD.

8. I order that the Respondent should reinstate the claiment in service. No back wages are allowed. Continuity of service is allowed. No costs.

(Dictated to the Stenographer, transcribed and typed by him and corrected by me).

AWARD

1. The Government of Karnataka in their Order No.SWL 569 LLD 74 dated 11th October, 1974, have referred an industrial disput existing between the above named parties to this Court for adjudication on the points of dispute noted below :

> "Are the management of Somavamsha Sahasrarjuna Kshatriya Co-operative Society Ltd., 43, Gopalakrishnaswamy Temple Street, Chickpet Cross, Bangalore-2A, is justified in terminating from service Sri Nagaraja, Attender with effect from 1st September 1973 ?
>
> If not, to what relief the workmen is entitled?"

2. On receipt of the reference it was registered as Reference No. 166 of 1974 and notices were issued to the parties which were duly served on them. In spite of service, the I Party neither appeared before this court or filed his claim statement. He remained absent right from the beginning. In the circumstances, I am constrained to proceed under Rule 23 of the Industrial Disputes (Karnataka) Rules as if the I Party was present and had been duly represented.

3 The second party filed its statement on 25th June 1975 saying that there is no dispute pending between the parties and I Party has settled his accounts fully and finally ; there were some shortages for which I Party was asked to give his explanation ; I Party submitted that he had no more interest to work and as per his desire he was relieved of his duties ; the first party workman has not filed the claim statement inspite of taking one year time ; the reference is not maintainable and hence it may be rejected.

4. One H. V. Narayana Swamy, Manager of the II Party society, has been examined as M W.1. He has stated that Sri Nagaraja was working as Weigher of food-

grains ; they found shortages many times in food grains and hence called for the explanation of the I Party. I Party gave explanation but they were not satisfactory. They wanted to frame charges and hold enquiry against him. In the mean while I party informed them that he got a job somewhere else. They permitted him to go. Thereafter they settled his account, and after that I Party never came to their office ; they never terminated his services and I Party himself had abandoned the services to better his prospectous. The I Party has not filed any claim statement.

5 I have no reason to disbelieve the evidence of the II Party, which stands unrebutted. The I party did not evince any interest in conducting the case and remained absent right from the beginning. In spite of service of notice, the I Party did not file his claim statement. In the circumstances, the reference is fit to be rejected.

6. In the result, I pass an award rejecting the reference. No costs.

If not, to what relief is the said workman entitled ?"

2. On receipt of the reference, it was registered as Reference No. 192 of 1974 and notices were issued to the parties which were duly served on them. The first party filed his claim statement on 30th April 1975. The second party did not file its counter-statement. To-day when the case was called, both the parties were present and filed a memo of settlement and prayed for an award in terms of the same. I have gone through the terms of the settlement and find them to be fair and reasonable. Hence I accept the same. A cheque for Rs 2,000 is handed over to Ist party.

3. In the result, an award is passed in terms of the memo of settlement which shall be annexed to this Award, and be deemed as forming part of it. No costs.

AWARD

This is a complaint filed by the Complainant under Section 33-A of the Industrial Disputes Act, against the Opposite party management of the Kapali theatre, for an

order of re-instatement of the Complainant in his former post as Gate-keeper with continuity of service; backwages and all other benefits and for costs.

2. The complainants' case in short is that he was working as a Gate-keeper under the Opposite party on a monthly wages of Rs 130. He was unwell from 2nd October 1973 to 30th October 1973 and had informed that fact by a letter, that after taking medical treatment he reported for duty on 31st October 1973 and submitted his duty report along with a medical certificate. But the Manager of the Opposite party did not allow him for duty and asked to see A Gopal, a partner. He could not see Sri A. Gopal on 31st October 1973 or on 1st November 1973 but the complainant developed fever and flue from 2nd November 1973 and was forced to take medical treatment On 9th November 1973 he received a letter dated 30th October 1973 from the Opposite party and he reported for duty on 10th November 1973 and gave his duty report and worked from 4.00 P M to 6.00 P.M. at the M.C.M Gate. The Assistant Manager came to him and instructed him to remove his uniform and instructed that only after Sri A. Gopal gave him permission he should report for duty. At 8-30 P M. on that day when he contacted Sri A. Gopal, he told him to go to h theatre on the next day. So also on 1st November 1973 G pal asked him to go once again on the next day on 12th November 1973 when requested the Manager told him that his services had been terminated. The Manager did not leave the same in writing, although requested by the complainant to do so. The complainant wrote a letter dated 12th November 1973 requesting the management to re-instate him, that once again he wrote another letter on 18th November 1973 along with a copy of a medical certificate issued by Dr. H. Ramaiah. That letter was received by the Opposite party on 21st November 1973. He received a letter from the management on 2nd November 1973 intimating him that he was absenting from duty without intimation, that he had not given a valid explanation for the unauthorised absence and making other allegations.

3 On 3rd December, 1973 the complainant addressed another letter to the Opposite party which was replied by the management by a letter dated 4th December 1973, informing him that they would be permitting him to work only after he submitted a satisfactory explanation. On 7th December 1973 he addressed another letter to the Opposite party intimating that he had already submitted his full explanation and requested the Opposite party to re-instate him in his former post. In case the management was to continue its malpractice, he would be filing a complaint under Section 33-A of the Industrial Disputes Act. The Opposite party neither replied, nor complied with the letter and it did not comply with the *bonafide* demand. He went and reported for duty and he was not permitted to do so. The complainant has submitted that his termination is illegal, unjustified and wrongful and in violation of Section 33 (2) (b). The action of the management in terminating his services amounted to victimisation and unfair-labour-practice.

4. The Opposite party in its objections filed on 10th April 1974 have resisted the application and have contended that the complainant stayed away from work without intimation to the management from 2nd October 1973. The Opposite party wrote a letter 7th October 1973 directing the complainant to report for work within 3 days. The complainant reported for duty on 10th November 1973 stating that he was sick from 2nd October 1973 that on the same day when the complainant met A. Gopal, he was informed that an enquiry would be conducted by the management for his long unauthorised absence The complainant left the work spot without intimating the management and was absent from work since then and that all other allegations were false. The Opposite party had not cotravened the provisions of Sec. 33 of the I D. Act and that the complaint was liable to be rejected in limine, as it was not maintainable in law. The opposite party has denied all the other allegations in the other allegations in the complaint.

5. On 15th April 1974 the following issues were framed by this court:

1. Whether the Opposite party was guilty of contravention of the provisions of Sec. 33 of the Industrial Disputes Act, 1947 and the rules thereunder as alleged by the complainant?
2. Whether the Opposite party proves that the complainant stayed away from work and had thus abandoned service?
3. Whether the complainant in the present firm is not maintainable?
4. To what relief is complainant entitled, if any?

6. On behalf of the complainant the complainant has been examined and his case has been closed. On behalf of the opposite party T. Govind Singh and A. Gopal one of the partners of the management have been examined and their case has been closed.

7. It is not disputed that the complainant was working as a Gate-keeper under the Opposite party and getting an emolument of Rs. 130, at the relevant time. The complainant in his evidence has sworn into the effect that he did not go to duty from 3rd October 1973 as he had fever and head ache and he sent a letter to the management under postal certificate. requesting for grant of leave that on 31st October 1973 he went to the theatre The manager asked him to see A. Gopal, managing partner and he did not see him on that day as he did not come to the theatre. He went to the theatre on 1st November 1973 and the Manager Govinda Singh told him that he would not admit him to duty unless he contacted the Managing Partner, A. Gopal on the night of 2nd November 1973 he could not contact Gopal. He was not having flueupto 10th November 1973. He received a registered letter dated 30th October 1973 Ext. C-3 on 9th November 1973. He went to the Opposite party theatre and gave duty report on 10th November 1973 and the manager took him on duty. At 6-15 P.M. the Assistant Manager asked the complainant to

remove his uniform and see Gopal and that A Gopal came to the office at 8-30 P M. and questioned him as to why he did not attend to duty regulary. He asked the complainant to come on 11th November 1973. On 11th November 1973 Gopal asked the complainant to see him on the next day and that the manager did not allow him to attend duty and told him that he has been dismissed from the services of the theatre. The complainant also spoke about the correspondence, he had with the management. It is also clear from his evidence that A. I. D. No. 10/72 was pending on the file of this Tribunal with regard to wage-structure and general service conditions of all the employees of all the theatres and he was also the concerned workman. In cross-examination he admitted that he did not send any medical certificate along with his leave application. He has denied the suggestions in cross-examination that he did not attend the Opposite party theatre from 3rd October 1973 onwards, including the entir month of November, 1973 and that he did not met the manager and Sri A. Gopal, partner on 10th November 1973 and 12th November 1973 and he himself abandoned the service, voluntarily and the management did not terminate the service. The evidence of Govind Singh O. W-1, manager was to the effect that the complainant absented himself from duty from 2nd October 1973 and onwards without sanction of leave of any kind and that by a notice dated 7th October 1973 he was called upon to report for duty. The complainant did not send any reply to the original of Ext. O1 that he did not report for duty in November 1973. The complainant did not come and met him in the theatre at any time. He also has submitted that the management did not terminate the services of the complainant. It is also in his evidence that he is not a disciplinary authority and that partner A. Gopal is the disciplinary authority. He also further stated that he did not know the complainant who worked at the M. C. M. gate on 10th November 1973. He denied that he asked the complainant to come on 12th November 1973 according to his instructions. He has denied the suggestion that on 12th November 1973 the complainant

come and saw him and requested him to permit him to come duty and that he (manager) told him that he was dismissed from service and the complainant should not come to the theatre. A. Gopal one of the partner of the Opposite party has stated in his evidence to the effect that the complainant met him on 10th November 1973 and after questioning him he told him that he would conduct an enquiry for his absence and thereafter the complainant left his work and went away from the theatre and that the complainant did not see him at any time. He did not issue any termination order to him. He did not hold any enquiry excepting writing some letters to the complainant. Before they started conducting the enquiry against him he filed the complaint.

8. The case much depends upon the correspondence exchanged in this case between the parties. Ext. O-1 is a letter dated 7th October 1973. In that letter the management has informed the complainant that he was absent without permission from 2nd October 1973 and directed him to report for duty within 3 days after receipt of that notice, failing which further action would be taken against him. It is admitted in the counter statement that the Complainant reported for duty on 11th November 1973 and he was allowed to do the duty on 10th November 1973. It is also admitted that the complainant was absent from 2nd October 1973 to 30th October 1973 and from 2nd November 1973 to 9th November 1973. The duty report given by the complainant is Ext. O-2. In that he has stated to the effect that he had sent a leave note on 2nd October 1973. He could not attend to the work from 2nd October 1973 as he was un well. He had received the notice on 7th October 1973 asking him to report for duty.. He reported for duty on 10th November 1973. On 12th November 1973 he worked from 4-00 P.M. to 6-00 P M. At 6-15 p.m. the Assistant Manager came to the complainant and instructed to remove his uniform and told the complainant that unless he took permission from the partner A. Gopal he could not report for duty. A 8-30 P.M. Gopal came to the theatre. He told him what the Assistant

Manager had told him. For that Sri Gopal asked him to come on the next day, Accordingly the complainant reported for duty on 11th November 73. On that day also Gopal asked to him to come again on on the next day and that the complainant came on 12th November 1973 and requested the manager to report for duty, for which the Manager told him that his services have been terminated. He should not come for work hence-forth. The Manager did not give the same in writing, although the complainant requested him to do so. It is also his explanation that his absence for the days was mentioned in the letter dated 10th July 1973, in detail. Due to the unavoidable circumstances and due to ill-health he remained absent from his work. The complainant requested that he may be re-instated in his former post. The complainant also wrote another letter as per Ext. C-7, requesting the management to re-instate him in his former post. The management wrote a letter dated 26th November 1973 as per Ext. C-8. In that letter it is stated that the complainant remained absent from 2nd October 1973 and that they had written 2 letters dated 7th October 1973 and 30th October 1973 asking his explanation. But the complainant had reported himself for duty on 10th November 1973 and produced a medical certificate. In the meanwhile the opposite party had come to know that he was actually engaged in selling crackers in his place in Deepaval season. From his records it was clear that the complainant remained absent from his duty during the previous Deepavali season. The Management had come to know that he was loitering near the theatre, that he had given false statement with ulterior motive and he had stayed away from duty for the above reasons, that he would be permitted to join duty on receipt of a satisfactory explanation for his long unauthorised absence, which caused considerable in-convenience to the management. The complainant once again wrote another letter dated 3rd December, in reply, stating that the management had continued to extract work from him since he reported for duty on 10th November 1973. He was not absent from duty without permission. He had

duly informed the management about his sickness and had sent medical certificate and that he was harassed by the management. Sri A. Gopal partner, who asked him to wait on 10th November 1973 and 11th November 1973 and without taking him to work. The act of the manager in orally terminating his services without duly serving the termination order was illegal. The management was refusing him the work without any valid reason was illegal. He had once again asked the management to re-instate him to his former post. Ofcourse in that letter he has not mentioned about the receipt of the letter dated 26th November 1973 in reply to Ext. C-9. The management wrote another letter as per Ext. C-10 enclosing a copy of a letter dated 26th November 1973, (the copy of Ex. C-7). In that letter also the management has stated to the effect that he had not furnished his explanation for his long absence and instead of giving explanation he had accused the management with certain false allegations. They could only permit him to work, only after receiving a satisfactory explanation from him.

9. In reply to that letter the complainant had written another letter dated 7th December 1973 to the management as per Ext. C-11, making the same old allegations and also calling upon the management to take him in his former post. Ext. C-12 is another letter written by the complainant asking the management to re-instate him in his former post and that inspite of his seeing A. Gopal on 26th November 1973 and 8th January 1974, he was being told to see the manager. The manager did not take him on duty by saying that A. Gopal did not tell him anything. Exts. C-14 and C-15 are medical certificates issued by one Dr. Ramaiah.

10. It is the case of the complainant that he was dismissed from service and that he was told so by the manager on 12th November 1973. He also in his evidence has stated to the effect that on 12th November 1973 the manager did not allow him to attend to duty and he told him that he was dismissed from service of the theatre. He has produced Ext. C-5 and he

has also stated in his evidence that in that letter he had narrated about all the incident to the management of the Opposite party by registered post. Ext. C-6 is the acknowledgement. In Ext. C 5 he has stated to the effect that he went to the work on 12th November 1973 and requested the manager to permit him to report for duty for which the manager told him that his services had been terminated and that he should not come for work henceforth. Even though the complainant requested the manager to take him on duty, he refused the same. In the letter written on 18th November 1973, he reiterated what he had stated in his letter dated 12th November 1973. He had stated that he had not been permitted to work. The managements' reply is at Exit. C—8. They have referred to the letter dated 18th November 1973 and have stated to the effect that he was giving false statement and with ulterior motives he had stayed away from duty for reasons stated in that letter. So also by letter dated 4th December 1973 the management has stated to the effect that they would only permit him to work, after receiving satisfactory explanation for his long absence. It is in the evidence of the manager that he was not disciplinary authority. Ofcourse the manager in his evidence has also stated that the partner was the disciplinary authority. He has also stated to the effect that it was false that he told the complainant that on 12th November 1973 that he was dismissed from service and he should not come to theatre. In this case it is not shown that the manager was the disciplinary authority and that he had power to dismiss the employees working in the theatre. Therefore. I am of the opinion, even granting for arguments sake, that he orally told the complainant that he was dismissed from service, it would have not effect. Therefore, in my opinion it cannot be held that the complainant had been dismissed by the Opposite party management. The complainant has given in his letters explanations as to why he had been absent from duty. But the Opposite party has not considered the explanation, he had given. The management went on asking him to give satisfactory explanation by stating that they

would only permit him to work, after receiving satisfactory explanation from his end. Therefore, it appears to me that this is a case in which the management has refused to give work to the complainant. The managements' case is that the complainant had abandoned his job. But there is absolutely no evidence to prove that the complainant had abandoned the job. The management gave no notice that the complainant had abandoned the job, in reply to the letters given by the complainant. Therefore it cannot be held that this is a case of the complainant abandoning the services of the Opposite party management.

11. No doubt it is the case of the management that the complainant had engaged himself in selling crackers during the absence from duty and that the medical certificates produced by him were false documents. It is true that the complainant had applied for a licence to sell crackers and he had been granted a licence in that regard. It seems O.W.-3 is the application given by the complainant to the Commissioner of Police for grant of licence and licence had been ordered to be granted to the complainant to sell crackers. But the complainant in his evidence has stated to that effect that it was false that he was running a crackers' shop, although he has admitted that in 1972 he had applied to the Commissioner of Police for the crackers, licence. The complainant has denied that he was running a crackers' shop, In this regard the evidence of Sri A. Gopal will not be helpful to show that he was running a crackers' shop, because he had only heard that the complainant was running a crackers' shop. That is only a hear-say evidence. So also the evidence of O.W.-1 will not go to show that the complainant was selling the crackers. If he was running a crackers' shop and was absent on that account and not because he was ill, it was for the management to have taken disciplinary action against him and it found guilty to have given punishment to the complainant. It had not done so.

12. For all the reasons stated above, I am of the opinion that the complainant had not proved in this case,

that his services were terminated by the Opposite party. Nor the opposite party has proved that the complainant had abandoned his services with the opposite party management. On the other hand the evidence goes to show that the management insisted on the complainant to give explanation for the period of his absence from duty. Although the complainant had given explanation, the Opposite party went on asking for satisfactory explanation by saying that he could only come to duty on giving his satisfactory explanation. So I have no hesitation to come to the conclusion that it is a case of refusal of the management to give work to the complainant.

13. Under Section 33 the management is prevented from discharging or punishing whether by dismissal or otherwise any workman concerned in a dispute for any misconduct not connected with the dispute or by discharing or punishing whether by dismissal or otherwise that protected workman exempt with the expressed permission in writing to the authority before which the proceedings is pending. It is not disputed that A.I D. 10/72 is pending before this Tribunal between the complainants' Union and the Opposite party management. In this case it cannot be held that the management has discharged or punished either by dismissal or otherwise the complainant for the alleged misconduct committed by him. The management has gone on refusing to give work by saying to the effect that unless the complainant gave satisfactory explanation he could not be allowed to work. Therefore, in my humble opinion Sec. 33 of the Industrial Disputes Act will not apply to the facts of the case. It must be held that the complaint is not maintainable. It must also be held that the Opposite party was not guilty of contravention of Sec. 33 of the Industrial Disputes Act, 1947 and the rules thereunder. It was urged by the representative of the complainant that even if it is held that it was case of refusal of work by the management, even then Section 33 is attracted. But he could not site any authority in this regard. On the other hand a lock out declared by the management is held does not to contravene the provision

of Sec. 33 of the Act (See 1958 ILLJ) page 84, National Coal Company *verses* Others. For all the reasons stated above my findings on issues framed in this case are as follows :

(1) The Opposite party is not guilty of contravention of the provisions of Sec. 33 of the Industrial Disputes Act and the rules thereunder.

(2) The Opposite party has not proved that the complainant stayed away from work and has thus abandoned service.

(3) The complaint in the present form is not maintainable.

(4) The complaint is liable to be rejected.

In the result an Award is passed dismissing the complaint. In the circumstances of the case, each party is ordered to bear his own costs.
